The Fraxilly Fracas:

The Fraxilly Fracas Douglas Hill, 2014-07-31 It all seemed so simple take a small sealed container to the planet Fraxilly and hand it over to the planet's ruling God King. Hardly a problem for someone with the reputation of Del Curb, interstellar courier and self-styled hero.

The Oxford Reference Guide to English Morphology Laurie Bauer, Rochelle Lieber, Ingo Plag, 2015-08-13 This volume presents a data-rich description of English inflection and word formation. Based on large corpora including the Corpus of Contemporary American English and the British National Corpus, it is the first comprehensive treatment of contemporary English morphology that includes both inflection and word formation. It covers not only well-studied topics such as compounding, conversion, and the inflection and derivation of nouns and verbs, but also areas that have received less scholarly attention such as the formation of adjectives, locatives, negatives, evaluatives, neoclassical compounds, and blends, among many other topics. Equal weight is given to form and meaning. The volume also contains sections devoted to phonological and orthographic aspects of morphology and to combinatorial and paradigmatic properties of English morphology. It ends with a series of chapters that assess the implications of English morphology for morphological theory, discussing topics such as stratification, blocking, and competition, the analysis of conversion, and the relationship between inflection and derivation. Winner of the 2015 Bloomfield Book Award and written by three outstanding scholars, this outstanding book will interest all scholars and students of English and of linguistic morphology more generally.

Exiles of Colsec Douglas Hill, 2015-06-30 A raw hatred of ColSec burned in Cord. Hatred for the huge world-dominating organization which had callously bundled Cord and a group of drop-out kids into a defective spacecraft and launched them out to live or die on a wild planet. Luckily, Cord and one of his new companions were able to crash-land their shuttle. But then the fight for survival was on, and some of the dangers they were to face had travelled there with them.

Colsec Rebellion Douglas Hill, 2014-07-31 In this thrilling conclusion to the ColSec Trilogy, five young outcasts return from exile to free Earth from an authoritarian government. In the savage streets, they rally the Earth's people to fight for freedom.

The Huntsman Douglas Hill, 2015-06-30 They had come on the first day of the world as it now was. They stalked over the world with cold alien indifference. They are the Slavers, alien invaders on an embattled Earth. In this brutal world, Finn Ferral is a young huntsman with a dangerous gift: he is wild and instinctive, more wolf or hawk than man. When his father and sister are captured by Slavers, Finn follows right to the heart of the Slavers' lair.

The Colloghi Conspiracy Douglas Hill, 2014-06-30 The Colloghi Conspiracy continues the adventures of Del Curb begun in *Fraxilly Fracas*. This time the self-styled hero is troubled by a frozen astronaut, a media star called Highlight Heart, and the treacherous nature of the planet Colloghi.

Alien Citadel Douglas Hill, 2015-06-30 The Wasteland people fighting to save the Earth are being driven into the fearsome radioactive Firesands by the relentless advance of the Slavers. As Finn Baer and the other warriors gather for a last great struggle, the arrival of an alien spaceship reveals a new threat even more deadly than the robot-like aliens Finn has captured.
