The Fruit Man, the Meat Man & the Manager Hugh Hood, 1971      *God's Plenty* W. J. Keith, 2014-10-20 A companion volume to *Canadian Odyssey* A Reading of Hugh Hood's *The New Age* God's Plenty surveys the short fiction of the writer dubbed Canada's Proust Hugh Hood an unparalleled stylist was equally accomplished in short forms and long this straight talking assessment of Hood's stories is thorough insightful readable and profound With its story by story breakdown and rigorous engagement with Hood's technique God's Plenty offers an excellent introduction not just to an undersung master but to the art of short fiction full stop W J Keith is a professor emeritus at the University of Toronto      **The English Short Story in Canada** Reingard M. Nischik, 2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro      **Canadian Odyssey** W. J. Keith, 2002 An engaging critical study of Hugh Hood's ambitious twelve volume novel series      *You'll Catch Your Death* Hugh Hood, 1992 Animals of all kinds from a lovesick hippopotamus to a valuable pair of Chelsea dogs make an appearance in Hugh Hood's delightful new collection of short stories *You'll Catch Your Death* But mostly one is aware of the birds As the narrator in Hood's opening story observes what I saw was birds and birds and again birds Mosaic renderings of peacocks and cranes a cage of cruelly imprisoned pigeons a lorikeet named Ronnie Reagan a couple of stolen cockatoos and a bestselling book entitled *Caring Parenting While Birding* each play a role in these stories along with a cast of eccentric bird lovers Amusing thoughtful and by turns poignant the thirteen never before published stories in *You'll Catch Your Death* are Hugh Hood at his eclectic best *More Birds* and *You'll Catch Your Death* explore mankind's tenuous relationship with the animal world *Disappearing Creatures of Various Kinds* reveals some of the mysterious ways in which humans reach out and communicate with other living creatures On the other hand Deanna and the Ayatollah invents a fateful encounter between Khomeini and film star Deanna Durbin while *Getting Funding* is a hilarious send up of Canadian arts funding and the CBC      **Temerity & Gall** John Metcalf, 2022-05-31 Metcalf's talent is generous hectoring huge and remarkable *Washington Post* In *Temerity* surveys with no punches pulled the current state of CanLit and offers a passionate defense of the promise and potential of Canadian writing In a 1983 editorial letter to the *Globe and Mail* celebrated Canadian novelist W P Kinsella railed that Mr Metcalf an immigrant continually and in the most galling manner has the temerity to preach to Canadians about their own literature Forty years later in spite of Kinsella's effort to discredit him in the name of a misguided nationalism both embarrassing and familiar John Metcalf still has the temerity and gall to preach to teach and to write passionately and uproariously about literature in Canada Part memoir meditation and apologia

part criticism and pure Metcalf the present volume distills a lifetime of reading and writing thinking and collecting and continues his necessary work kicking against the ever present pricks As is the case with all of his critical work Temerity Gall will challenge delight anger and inspire in equal measure and is essential reading for anyone interested in literature in Canada and its place within the wider tradition of writing in English Temerity Gall is printed in a limited paperback edition of 750 copies signed and numbered by the author

*The Canadian Encyclopedia* James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the

beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *The Atlantic Companion to Literature in English* Ed. **Sense Of Style** W. J. Keith, 1989 A discussion of the work of 10 fiction writers representing the range of Canadian fiction during the past 50 years that emphasizes artistry rather than theme or the exploration of national identity The writers considered are Margaret Atwood Robertson Davies Mavis Gallant Jack Hodgins Hugh Hood Margaret Laurence W O Mitchell Alice Munro Howard O Hagan and Ethel Wilson *The Isolation Booth* Hugh Hood, 1991 The Isolation Booth is the third volume in Hugh Hood's Collected Stories it contains short fiction written between 1957 and 1966 While all of the stories have been previously published in various magazines this is the first time they are available in book form The title story was first published in The Tamarack Review in 1958 the paid to Hood for that story represents the first income he ever made from his writing Since then Hugh Hood has become one of Canada's most prolific short story writers and novelists William French The Globe they may have powerful friends These stories reflect the variety of Hood's experiments with the form as well as his continuing concern with the human condition which prompted William Blackburn to comment Hood's thirty year career demonstrates his profound and compassionate sensitivity to our human predicament Canadian Book Review Annual As Hood writes in the introduction to The Isolation Booth Surely the society that invents a space called the isolation booth isn't far removed from the subliminal motivations of the torturers in prisons and camps of one kind or another I've always shuddered remembering the phrase yet it was in common use among millions of weekly viewers of big money TV quiz programmes like The 64 000 Question These concerns are unfortunately as meaningful now as when The Isolation Booth was written in 1958

*The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor
