The Playful World Mark Pesce, 2000 As you read these words the architects of the new virtual reality are inventing a world you never imagined call it the playful world It s a world of interactive Web based toys that instantly collapse the gulf between wish and existence space and time animate and inanimate It s a world where the entire fabric of the material world becomes manipulable programmable mutable Situated at the crossroads of high technology and popular culture the playful world is taking shape at the speed of electronic creativity Are you ready for it Your kids are In this spellbinding new book Mark Pesce one of the pioneers in the ongoing technological revolution explores how a new kind of knowing and a new way of creating are transforming the culture of our time It started bizarrely enough with Furbys the first toys that had the will to grow and interact intelligently with their environment As Pesce argues Furbys for all their cloying cuteness were a vital sign of a new human endeavor the ability to copy part of our own intelligence into the physical world But engineers of the playful world have already gone much further into considerably stranger virtual realms Pesce takes us inside the world s cutting edge research facilities where the distinction between bits and atoms is rapidly dissolving We meet the creators of LEGO Mindstorms a snap together plastic device that intelligently controls motors and processes data from sensors We watch technological geniuses like Marvin Minsky and Eric Drexler turn the theoretical breakthroughs of Nobel laureate Richard Feynman into nanites tiny ultra high speed computers that replicate intelligent life We observe the launch of the amazing and much anticipated Sony Playstation 2 a platform that will allow us to bring synthetic worlds into the home and create a gateway to the living planet Web based toys are only the beginning the first glimmer of a new reality that is transforming our entire culture with incredible speed and power After all thanks to the computer revolution and the Internet all of us already command powers that just a generation ago would have been described as magical Magic is about to take on a whole new dimension In this dazzling book Mark Pesce offers a mind bending preview of the incredible future that awaits us all in *The Playful World* *Essays on Kushner's Angels* Per K. Brask, 1995 **Alone Together** Sherry Turkle, 2017-11-07 A groundbreaking book by one of the most important thinkers of our time shows how technology is warping our social lives and our inner ones Technology has become the architect of our intimacies Online we fall prey to the illusion of companionship gathering thousands of Twitter and Facebook friends and confusing tweets and wall posts with authentic communication But this relentless connection leads to a deep solitude MIT professor Sherry Turkle argues that as technology ramps up our emotional lives ramp down Based on hundreds of interviews and with a new introduction taking us to the present day *Alone Together* describes changing unsettling relationships between friends lovers and families Soulful Beings Petal Knee, 2015-02-11 This little gem of poetry will make your eyes sparkle like diamonds with tears of heartbreak laughter and

joy The poems are narrative tales in rhyme and make for easy reading and understanding Most of them are written in a way children can begin to enjoy once again the dying pastime of reading a book They have no hidden meaning The author believes that if you are able to relate in some way to other beings then you have a soul Therefore mankind and animals alike all are soulful beings

The Totally Sweet 90s Gael Fashingbauer Cooper, Brian Bellmont, 2013-06-04 If you can tell the difference between the Petes in Pete Pete know every step to the Macarena by heart and remember when The Real World was about more than just drunken hookups The Totally Sweet 90s will be a welcome trip down memory lane With this hella cool guide you ll reminisce about that glorious decade when Beanie Babies seemed like a smart economic investment and Kris Kross had you wearing your pants backward Whether you contracted dysentery on the Oregon Trail or longed to attend Janet Reno s Dance Party you ll get a kick out of seeing which toys treats and trends stayed around and which flopped So throw your ponytail into a scrunchie take a swig from your can of Surge and join us on this ride through the unforgettable and sometimes unforgivable trends of the 90s
