Benjamin L. Corey, 2017-11-07 The creator of the popular Formerly Fundie blog on Patheos explains how the American Christianity we are currently taught is actually a fear saturated distortion of biblical faith Benjamin L Corey thought he was suffering a crisis of faith but it turned out to be a spiritual awakening Corey became aware that the constant fear of hell and judgment that defined his Christian faith was out of sync with the idea that God acts from love and promises to deliver us from fear In the wake of this realization came newfound insights from reading the Bible to re-examining American life and the church's role in the wider world Corey learned that what he had been taught was a distorted version of Christianity that was not only untrue but caused real spiritual harm He also discovered that he wasn't alone Many

Christians are yearning to distinguish between the Christianity that has become a rigid American civil religion and the authentic Christian faith embodied in Jesus As he recounts his own spiritual journey Corey offers a powerful and inspiring message of hope for every Christian increasingly frustrated with the church today Do not be discouraged he assures them You do not need to give up your faith you can rediscover the reality of a vibrant Christianity that delivers us from fear and inspires and guides us all today
