**The Function of Apocalyptic and Wisdom Traditions in Romans 9-11** E. Elizabeth Johnson, 1987 The Function of Apocalyptic and Wisdom Traditions in Romans 9-11 E. Elizabeth Johnson, 1989 **Paul's Viewpoint on God, Israel, and the Gentiles in Romans 9-11** Xiaxia E. Xue, 2015-05-14 Over the years Romans 9 11 has been investigated from a variety of approaches with one of the most prominent being an intertextual reading However most discussions of intertextual studies on this section of Romans fail to adequately address Paul's discourse patterns and that of his Jewish contemporaries with regard to God Israel and the Gentiles Adapting Lemke's linguistic intertextual thematic theory this study uses a methodological control to analyze the discourse patterns in Romans 9 11 Through this analysis the author demonstrates the divergence of Paul's viewpoints on several typical Jewish issues which suggests that his discontinuities from his Jewish contemporaries are obvious and sometimes radical It is apparent that Romans 9 11 not only provides a self presentation of Paul as a Mosaic prophet figure but overall it appears as a prophetic discourse reinforcing the notion that Paul's message comes from divine authority **Paul's Concept of Mission** J. G. Mst Panjikaran, Panjikaran. J. G. (Joy Gervasis), 2017 Parallel title and statement of responsibility in Manipuri also **Romans and the Apologetic Tradition** Anthony J. Guerra, 1995-01-05 Of all the letters in the Pauline corpus the Letter to the Romans has attracted the greatest degree of scholarly attention Yet surprisingly scant consideration has been given to the question of its literary genre Taking up the comparatively brief suggestions of previous scholars Dr Guerra argues that the Letter belongs to the protreptic genre the class of writing in antiquity which urges the adoption of a particular way of life or a deeper commitment to it setting out its advantages replying to objections and demonstrating its superiority Working through each chapter of the Letter in turn he indicates how Paul provides a critique of non Christian ways of life both Jewish and Gentile and affirms the superiority of the Christian Gospel It becomes apparent that the Pauline apologetics of Romans stand between the hellenistic Jewish tradition and the later Greek Christian apologists and may have influenced the latter *Paul's Use of the Old Testament in Romans 9.1-9* Brian J. Abasciano, 2006-02-07 This investigation builds upon recent developments in the study of Paul's use of Scripture that center around the concept of intertextuality Abasciano uses an exegetical method that incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9 1 9 with an awareness of the broader unit of chapters 9 11 especially and also the epistle as a whole The study finds that many of the themes Paul deals with in Romans 9 11 are also present in ancient Jewish and Christian interpretive traditions surrounding the passages he invokes and more importantly that Paul's scriptural quotations and allusions function as pointers to their broad original contexts from which he developed much of the form content and direction of his argument holding significance for a number of exegetical details as well as

broader themes and rhetorical movements The final chapter seeks to draw conclusions concerning the significance of Paul's use of the Old Testament in Romans 9:1-9 for the exegesis and theology of Romans and for Pauline intertextuality The identity of the true people of God is central to Romans 9:11 and the epistle And Paul's use of Scripture is contextual and referential calling for attention to Pauline intertextuality in standard exegetical procedure JSNTS 301 **An Exegetical Bibliography of the New Testament: Romans and Galatians** Günter Wagner, 1983 Library has v 1 3 A Polemical Preacher of Joy Jerome Douglas, 2014-10-10 How is the interpreter to approach Ecclesiastes What is the message of the author What is the genre of Ecclesiastes Many scholars have posited varying interpretations of the message of Ecclesiastes and have observed the number of statements that appear to be conflicting or at least in tension with one another Discussions about the argument and genre labels in Ecclesiastes have not fully considered the author's polemics against the apocalyptic beliefs of his day 200 B C E This book will propose that the author of Ecclesiastes utilizes a hybrid genre in his work an anti-apocalyptic genre in order to further his message of joy Jerome Douglas explores how recognizing the presence of an anti-apocalyptic genre within the tapestry of Ecclesiastes assists the interpreter in understanding the book Rediscovering Righteousness in Romans David J. Southall, 2008 Why does the Apostle Paul personify righteousness as slave master and athlete in Romans 6 and 9 David J Southall explores Pauline personification as a trope of character invention in which righteousness becomes an equivalent term for Christ BOOK JACKET *Looking for Life* John G. Lewis, 2005-04-30 Through exegetical studies of 1 Corinthians and Galatians John Lewis shows how Paul synthesises theology and ethics which interpreters frequently separate as integrated aspects of Christian thinking and living This fusion becomes evident in Paul's complex process of theological moral reasoning that lies beneath the surface of his letters for which we have coined the phrase theo ethical reasoning The book also examines how Paul encourages his churches to apply this theo ethical reasoning in the community practice of spiritual discernment a dialogical comparative process of reasoned reflection on behaviour and experience Through this practice of looking for life community members are led by the Spirit as they reason together attempting to associate the manifestations of new life with conduct that faithfully portrays Christ's self-giving pattern This correlation of conduct with experience grounds Paul's own proclamation of Jesus Christ in word and deed It also becomes the foundation for believers' faith and hope as they come to know Christ and experience the power of God Thus the book concludes that the practice of spiritual discernment by means of theo ethical reasoning lies at the centre of Paul's religion

**The Antithesis of the Ages** Stephan K. Davis, 2023-11-16 Davis seeks to recast the traditional perception of Paul's polarization of the Torah and Christ in terms of an inherent antithesis of history this age and eschatology the age to come In the early chapters he investigates the role of Wisdom and Torah in biblical and in Second Temple literature in order to construct a context for interpreting Paul's view of the Torah In the balance he applies his conclusions to three Pauline texts understood to express this antithesis By concentrating on the link he perceives between Paul's rejection of eternal Torah

theology and its replacement with Christ thereby allowing Paul to reconfigure the place of the Torah apart from those elements Davis wants to offer a new way to construe the Paul and Torah riddle

### **Abingdon New Testament**

**Commentaries: Romans** Leander E. Keck, 2011-09-01 Like widely differing siblings raised by the same parents each letter produced by Paul has its own distinguishing character For the historically minded critic each letter's unique traits provide important clues for detecting the circumstances in which Paul wrote it as well as what he hoped to achieve with it Scholars assume that by examining the content of the letter the answer they can infer the reader's situation that Paul is addressing the question a method sometimes called mirror reading In the case of Romans however both the particular traits and the overall content are so unusual that scholars continue to debate why Paul wrote precisely this letter and what he hoped to achieve by it in Rome So begins Leander Keck's seminal work on the New Testament book of Romans Keck asserts that because Romans is part of the New Testament we can compare it with the other letters ascribed to Paul as well as with what Acts reports about his message and mission But the first readers of Romans had only this letter they could compare it only with what they may have heard about him While this commentary does from time to time compare Romans with what Paul had said before it concentrates on Romans itself what Paul says in this text should not be conflated with nor inflated into what he thought comprehensively though it is essential to understand that as well We do not really need another major commentary on Romans that loses us in the minutiae of word studies literary parallels sociological and rhetorical hypotheses we have such in plenty The Abingdon series however by its limited size forces the contributor to focus on the primary task of the commentator to clarify the meaning intended or potential of the words of the text and to provide some basic reflection on its continuing significance And that is where Keck excels James D G Dunn Review of Biblical Literature 04 2006

**The Philosophical Life** Arthur P. Urbano, 2013-10-12 Ancient biographies were more than accounts of the deeds of past heroes and guides for moral living They were also arenas for debating pressing philosophical questions and establishing intellectual credentials as Arthur P Urbano argues in this study of biographies composed in Late Antiquity

*Paul and the Stoics* Troels Engberg-Pedersen, 2000-01-01 Dr Engberg Pedersen shows how a range of problems encountered in twentieth century interpretation of three major Pauline letters Philippians Galatians Romans may be overcome by reading the epistles in the light of ancient Stoic ethics He discusses literary conceptual and theological issues for example the unity and purpose of the letters the relationship in the letters between theology and ethics the logical character and shape of Pauline exhortation the relationship in Paul between cognition and participation the meaning of righteousness from faith Paul's handling of the Jewish law The author illuminates the central core of Paul's thought by applying the Stoic perspective and argues that scholars must move beyond the traditional Judaism Hellenism divide to reach a comprehensive and accurate reading of Paul's letters P 4 of cover

**Romans (Teach the Text Commentary Series)** C. Marvin Pate, 2013-01-15 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text

effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text *Called from the Jews and from the Gentiles* Pablo T. Gadenz, 2009 Slight revision of the author's thesis doctoral Pontifical Gregorian University 2008 *Faith in God Through Jesus Christ* John Farrelly, 1997 In short readable essays this book looks at what ecumenical dialogue can teach us about the papacy teaching authority feminism dissent infallibility grace ordination the nature of unity and the future of the Church But mutual criticism also follows from an exchange of gifts and this book includes reflection on where reform of the Church is needed **Paul Cries Freedom in Galatia!** Gysbert M. H. Loubser, 2017 This study emphasizes Paul's urgency in conveying the radical newness of life since the advent of Christ and his Spirit Just as the Spirit introduces believers to the life in Christ he equally leads them to live life in the faithfulness of Christ producing the fruit of the Spirit Paul describes this as a life of freedom from flesh and its law as well as the elements of the world Guiding believers ethically from inside and empowering them to do God's will the Spirit has no need of law making the christological pneumatological ethic of the new creation wholly anomistic Series Theology in Africa Vol 6 Subject Religious Studies Christian Studies **Paul, Apostle to the Nations** Walter F. Taylor, 2012 Who was Paul what did he do what did he write Walter F Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul An appendix presents a clear summary of issues related to Paul's thought on gender and sexuality **The Politics of Inheritance in Romans** Mark Forman, 2011-04-21 Mark Forman explores the extent to which Paul's concept of inheritance in Romans and its associated imagery logic and arguments served to evoke socio political expectations that were different to those which prevailed in contemporary Roman imperial discourse Forman explores how Paul deploys the idea of inheritance in Romans and analyses the sources which inform and overlap with this concept Coins literature and architecture are all examined in order to understand the purpose hopes and expectations of first century society This book contributes to recent studies covering Paul and politics by arguing that Paul's concept of inheritance subverts and challenges first century Roman ideologies
