

THE GAME OF DISARMAMENT

How the United States
and Russia Run the Arms Race

ALVA MYRDAL

The Game Of Disarmament

Yvonne Hirdman

The Game Of Disarmament:

The Game of Disarmament Alva Myrdal, 1977 **The Game of Disarmament** Alva Myrdal, 1982 **Women Nobel Peace Prize Winners, 2d ed.** Anita Price Davis, Marla J. Selvidge, 2015-12-01 From the first woman Nobel Peace Prize recipient Bertha von Suttner 1905 to the latest and youngest female Nobel laureate Malala Yousafzai 2014 this book in its second edition provides a detailed look at the lives and accomplishments of each of these sixteen Prize winners They did not expect recognition or fame for their work economist Emily Greene Balch 1946 was surprised to learn that anyone knew about her But they did not work in isolation all met with discouragement derision threats or in Yousafzai's case attempted murder and exile A history of the Prize and a biographical sketch of Alfred Nobel are included Banning the Bomb, Smashing the Patriarchy Ray Acheson, 2021-06-25 Banning the Bomb Smashing the Patriarchy offers a look inside the antinuclear movement and its recent successful campaign to ban the bomb From scrappy organizing to winning the Nobel Peace Prize in 2017 and achieving a landmark UN treaty banning nuclear weapons this book narrates the journey of the International Campaign to Abolish Nuclear Weapons ICAN and developments in feminist disarmament activism Acheson explains the process through which diplomats activists and nuclear survivors worked together to elevate the horrific humanitarian and environmental impacts of nuclear weapons develop new international law categorically prohibiting the bomb challenge the nuclear orthodoxy and strengthen norms for disarmament and peace Told from the perspective of a queer feminist antimilitarist organizer who was involved from the start of the process through to the treaty's adoption the book utilizes interviews with dozens of participants as well as critical theoretical perspectives about transnational advocacy networks discourse change and intersectional feminist action It is meant to provide useful insights for anyone trying to make change amidst structures of power and politics *Parameters*, 1979 Bulletin of the Atomic Scientists, 1979-03 **Hearings, Reports and Prints of the Senate Committee on Foreign Relations** United States. Congress. Senate. Committee on Foreign Relations, 1966 **Portraits of Women in International Law** Immi Tallgren, 2023 This fascinating volume offers a set of biographies of women and gender non conforming people who made a difference in international law but who in most cases were never well known or have been forgotten These portraits describe each individual's engagement with international law the context in which they worked and the barriers they faced *Newsletter*, 1977 **News Letter** United States. Department of State, 1977 Department of State News Letter United States. Department of State, 1966 **Professional Journal of the United States Army**, 1979 *The Nobel Peace Prize and the Laureates* Irwin Abrams, 2001 Presents brief biographical portraits of the 106 recipients of the Nobel Peace Prize during its 100 year history **Searchers, Seers, and Shakers** James A. Schellenberg, 2017-07-28 This volume offers intellectual portraits of eleven giants of the modern social sciences It is bound by two central themes The first is that there is a fundamental unity behind the various forms of social science There is a general social science as well as a variety of social science disciplines The

second theme is that a biographical approach is a useful tool for making clear some of the central ideas of social science. By looking at the lives and achievements of selected masters we should be better able to understand the fundamental nature or natures of social science. In order to determine which figures should be regarded as masters, Schellenberg defines the three main kinds of work he sees as central for social science. First is the work of basic discovery done by searchers who made especially important contributions to empirical work in the social sciences. The persons he selected for special treatment here are Louis Leakey, Mary Leakey, Margaret Mead, and B. F. Skinner. He then considers the work of theory choosing for examination seekers who had made especially important theoretical contributions: John Dewey, Talcott Parsons, and Kenneth Boulding. Schellenberg next examines those social scientists who worked to seek changes in society. These were the shakers or social reformers. In Schellenberg's view, these come in three main subtypes, and he sought to include at least one example of each: Gunnar Myrdal and Alva Myrdal as social engineers, C. Wright Mills as a rebellious social critic, and Daniel Patrick Moynihan as one whose contribution was made more directly into the world of politics. Schellenberg's exploration of the lives of these eleven masters of twentieth-century social science reveals many surprises and ironies. While he points out major contributions, he also has felt free to make criticisms. As he has said, "These were all real persons with failings and foibles as well as persons of great achievement. I felt that the examination of"

Nuclear Proliferation and International Security

Sverre Lodgaard, Bremer Maerli, 2007-06-11. The Nuclear Non-Proliferation Treaty has long been key in non-proliferation and disarmament activities. The Treaty is the major international legal obstacle for states seeking nuclear weapon capabilities. In retrospect and despite setbacks, the overall impact of the Nuclear Non-Proliferation Treaty has been significant and gratifying. Its continued success is by no means guaranteed. As old nuclear dangers persist and new ones evolve, policies to halt nuclear proliferation are more disparate than at any other time. Nuclear weapons remain an essential part of the security policies of leading states, and many developmental states maintain strong nuclear weapon ambitions while terrorists have actively been seeking nuclear capabilities. In search of an overarching strategy that recognizes both the flaws of the existing non-proliferation regime and the value of some of the corrections proposed by regime critics, this volume assesses contemporary efforts to stem nuclear proliferation. In doing so, *Nuclear Proliferation and International Security* examines a number of cases with a view to recommending better non-proliferation tools and strategies. The contributors comprise renowned international scholars who have been selected to obtain the best possible analyses of critically important issues related to international non-proliferation dynamics and the future integrity of the Non-Proliferation Treaty.

The Changing Face of Conflict and the Efficacy of International Humanitarian Law

Helen Durham, Timothy L.H. McCormack, 2022-10-31. It is indisputable that the way armed conflict is conducted has changed dramatically in the last half of the twentieth century. The contributions to this volume accept the reality of these changes and seek to assess the efficacy of certain aspects of international humanitarian law. The volume commences with a critical evaluation of the 1977 Protocols additional to the four Geneva Conventions of

1949 Subsequent chapters consider increasing protection for women and minorities in armed conflict efforts to control the weapons of war identifying the law applicable to peace operations and current developments in the enforcement of international humanitarian law One general theme which emerges from a number of chapters is the importance of the relationship between international humanitarian law and other relevant areas of international law Most of the contributors also applaud recent developments towards effective enforcement of the established principles of this important area of international law

Gandhi: His Relevance For Our Times G. Ramachandran, T. K. Mahadevan, 2023-10-01 GANDHI His Relevance for our times by G Ramachandran T K Mahadevan GANDHI His Relevance for our times examines the enduring relevance of Mahatma Gandhi s principles and teachings in contemporary society G Ramachandran and T K Mahadevan explore how Gandhi s ideas of nonviolence truth and social justice continue to hold significance in the modern world Key Aspects of the Book GANDHI His Relevance for our times Contemporary Relevance The book explores how Gandhi s philosophy and methods are applicable to addressing modern day challenges including conflict resolution human rights and environmental sustainability Social and Political Impact It analyzes Gandhi s influence on movements for civil rights peace and justice worldwide emphasizing his enduring impact on global affairs Ethical Leadership GANDHI His Relevance for our times highlights Gandhi s role as a model of ethical leadership and the lessons his life offers to leaders in the 21st century G Ramachandran and T K Mahadevan are scholars who have studied Mahatma Gandhi s life and philosophy Their book serves as a testament to Gandhi s enduring legacy and his continued relevance in contemporary times

Alva Myrdal Yvonne Hirdman, 2008-06-25 Published to great acclaim in Sweden Yvonne Hirdman s biography of Alva Myrdal is an intimate rounded portrait of one of the great women of the twentieth century The scholarly partner and wife of Gunnar Myrdal author of *An American Dilemma* and *Asian Dreams* Alva Myrdal was an innovative social scientist and thinker in her own right She helped to lay the intellectual foundations of Sweden s social welfare state pioneered innovative pedagogical programs and techniques and developed an expertise in human rights that led her to become an international ambassador for the United Nations and Sweden Alva assisted Jewish refugees during and after World War II created a non governmental organization for early childhood education worked with UNESCO and was an international advocate for women s equality and personal development Ultimately she was appointed by the Swedish government as ambassador to India and led the Swedish delegation to the eighteen nation UN Disarmament Conference in Geneva Her extensive disarmament efforts won her the Nobel Peace Prize in 1982 At the same time she struggled with many of the issues that women still find challenging how to combine home and family life with the desire to contribute to the common good Her relationship with Gunnar Myrdal was an ongoing folie a deux a true gender drama with Gunnar in the leading role and Alva the constant other trying to cope with love and life from this inferior position Alva Myrdal s published work and the choices she made in her life spoke to the tensions that these conflicts produced and to the several ways she tried to reconcile them Here is a remarkable and dramatic story

that transcends borders and has particular resonance today **Introduction to International Relations** Atsushi Tago, 2025-06-29 This textbook provides a comprehensive introduction for individuals who are new to the discipline of International Relations or World Politics It features three distinctive elements First it posits that understanding the international political economy is essential before delving into analyses of war and security emphasizing that economic interdependence arising from international cooperation is a central theme in international relations Second the textbook recognizes that strategic interaction where the decisions of one entity and future outcomes depend on the choices of another is a core component of international relations It also utilizes four key concepts in its exploration of the field Us and Others Disparity and Dissatisfaction Trust and Distrust and Legitimacy and Illegitimacy Lastly the textbook is attuned to the methodologies of the Social Sciences including descriptive causal and deductive inferences and it stands out for its commitment to fostering methodological awareness **Bulletin of the Atomic Scientists** ,1979-03

The Enigmatic Realm of **The Game Of Disarmament**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **The Game Of Disarmament** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
