*The Garden God* Anthony Powell,1971      *The Garden God* Forrest Reid,2018-08-14

He looked out into the quiet evening The garden lay before him stretching from the window in the pale half light A fine misty rain had begun to fall and was slowly shutting out the world Presently his gaze wandered back again to the room wherein he sat It rested on dark oak carvings on the sheen and sombreness of fine bindings on a chipped and broken statue of a boy in yellowish marble and lastly on a modern portrait hanging above the great fireplace This was the only picture in the room and the fading light had drawn most of the colour out of it but his memory held up a lamp a lamp of soft flame by which he beheld the full length figure of a boy a boy of fifteen sixteen slight dark complexioned with delicately oval face and long silky hair falling in a single great wave over his forehead The features were very finely moulded the mouth especially being quite perfect A somewhat exotic looking youngster extraordinarily aristocratic one imagined even a little disdainful yes that too perhaps despite the wonderful charm of expression Harold youngest son of Aubrey Stewart Brocklehurst Esquire

Using the simple analogy of earth being God s garden and the people His desired harvest and His divine desire to bring us back into His New Garden of Eden God s Garden on Earth Today shows in a simple to understand format how God is still at work today in the believer s life even if they fail to recognize that fact Written in a unique yet simple style that the average reader can understand the basic truths of God s Word and how it still relates to our world today God has always had a plan and the desire to return His children back to His Garden and restore that personal relationship He had with man before the fall and his removal from the Garden of Eden Using simple analogies parables and metaphors help expose the similarities between the first marriage of Adam and Eve in the garden and the Bride Church who is awaiting her soon coming Groom Jesus and our upcoming marriage on His arrival

*God's Beauty* Patrick T. McCormick, 2012 What if we began our study of Christian ethics not with an examination of our moral duties but with an exploration of the call of beauty For like justice beauty generates a call to a larger more generous self In *God's Beauty* Patrick McCormick asks How does the beauty of the righteous community manifest the glory of God How can we imitate and improve this beauty by reforming our own societies What fundamental need and right do all of us especially the poor have to experience and create beauty in our lives and communities Why is it also essential to our own humanity that we recognize and treasure the beauty of the stranger alien and foe and resist every effort to render these unrecognized neighbors ugly McCormick offers a fresh positive approach to moral arguments calling us to work for social justice Instead of laying out the evils of failing to work for justice protect human rights overcome alienation and hostility or tend to the earth *God's Beauty* focuses on the calling of divine beauty summoning us to be tenders and creators of beauty
