The Saucerian Gabriel Mckee,2025-04-22 The strange but true biography of the colorful founder of Saucerian Books a central purveyor and promoter of flying saucer and conspiracist knowledge in the mid twentieth century Gray Barker 1925 1984 was an eccentric literary outsider filled with ideas that were out of step with the world An author and unreliable narrator of implausible stories Barker founded and operated Saucerian Books an independent publisher of books about flying saucers and other ideas at the fringes of popular discourse In The Saucerian Gabriel Mckee tells the fascinating story of Barker s West Virginia based press the unique corpus of materials it published and how office copying and self publishing techniques influenced the spread of paranormal beliefs and conspiratorial worldviews over the last century Following the development of UFO subculture Mckee explores the life and career of a larger than life hoaxer and originator of pseudoscientific ideas Ever an entertainer Barker established his reputation with one of the first flying saucer fanzines The Saucerian and with his first book the conspiratorial and sensationalistic They Knew Too Much about Flying Saucers By the close of the 1950s he had established a publishing imprint that brought out some of the strangest UFO related books of the era with a particular emphasis on flying saucer contactees Saucerian Books became a platform for those whose stories were too unusual implausible or crudely written for more mainstream publishers Though Barker himself was a skeptic he viewed the world of occult believers as a source of ongoing entertainment He also may have used the perceived eccentricity of flying saucer research or ufology to obscure his homosexuality from his small town neighbors From his place on the fringes of midcentury American culture Barker left an unmatched legacy in conspiratorial concepts that have become prominent pop cultural folklore including the Men in Black the Mothman and the Philadelphia Experiment As a mastermind behind the fantastical Barker s promotional efforts were the precursor to contemporary conspiracism The Packages ,1912 *Our Navy, the Standard Publication of the U.S. Navy* ,1914 TLV Personal Size Giant Print Reference Bible, Holy Scriptures ,2018-02-26 The biblical books were written to Jews for Jews and about Jews yet most Bible translations do not maintain a connection to the Jewish essence of the Bible The TLV speaks with a decidedly Jewish voice to recover the authentic context of the Bible and the Christian faith retaining the Jewish order of the Old Testament books the Jewish name of the Messiah reverence for the four letter unspoken name of God and many Hebrew transliterated terms such as shalom shofar and

shabbat The result is a translation that is accurate readable reverential and true to the Hebrew roots of the Christian faith The TLV Personal Size Giant Print Reference Bible offers readers powerful features in a convenient size and readable 12 5 point type including introductions to each book of the Bible and the major sections of Scripture a glossary with key Scripture references cross references for studying biblical topics an extensive concordance for finding familiar passages doing word studies and following biblical themes Jewish blessings and benedictions Hear O Israel And You Shall Love Tree of Life Declaration Aaronic Benediction Messiah s Prayer Welcoming the Sabbath Parashat weekly Torah readings maps of Israel and much more

Why Buddhism? The Evil of Religion Joseph T. Arellano, 2004-07-08 This work supports the proposition that the eradication of religion will make us live as one and there is only one way to remove religion and that is to remove the need for it Armed only with reason this work will prove that due to ignorance religion is just an invention to fill a need This work has three segments The first explores from the point of view of a Christian practicing Pagan the process on how myth became reality It will prove that God was invented and re invented perpetually for necessity and convenience It is that need that gave the bible its religious relevance Understood with a naked mind the bible is far from being just a religious document but a political one This work explores why religion and politics cannot and will not separate Hence unavoidably it dipped its hands into one painful political issue the Israeli Palestinian conflict The second part elucidates that if the foundation is a myth it only follows that what was founded on it Jesus is a lie It will give proof to the fact that the New Testament was manipulated to further vested interest Understood with an unconditioned mind that is without the traditional spirituality attached to it it will prove that Jesus is just selfishly scheming to regain his grandfather David s throne it will also prove that Jesus is gay The last part is my way of introducing Buddhism It could shed light to what Western science is exiting themselves about It answers why man will never find the Missing Link It explains how and why advanced civilizations deteriorated to their present state In our fight against virus causing disease we must explore all avenues to defeat it Buddhism offers one Buddhism is not only about science it is also about religion it delves into the reality of a soul Buddhism gives us reason on why we must discriminate on account of race or for any other reason
