Commentary on the Holy Scriptures of the Old and New Testaments: Haggai, Zechariah, Malachi, Johan, 1895

The Flying Scroll Pat Hockel, 2004 I have not seen a book with the perspective on issues that are active today and have traversed the centuries that The Flying Scroll presents The message makes us one with God every human being is equal in our eyes too equal in a tangible livable pleasing to God perspective You will find solace here whether you are angry with the Roman Catholic Church for their inept reaction to their priests abusing children their refusal to acknowledge that mandatory celibate vocations does have a relationship to their sexual sins or their excommunication of priests who marry but not pedophile priests If you are feeling guilty because you are a priest who married or you married outside your family's preference these pages will ease your guilt You will discover the fate of a rejected love of a Roman Catholic priest She didn't disappear as usual This account connects the dots between all of the above and more Truth is refreshing the words on the pages of The Flying Scroll to the sentient observer are refreshing and build HOPE that tomorrow's children may have more freedom to be who and how God made them than the children of yesterday or today *The International Critical*

Commentary on the Holy Scriptures of the Old and New Testaments, 1897 **A Triad of Trials & Some Prophets God**

Sent Warren Sherwood Bennett, 2012-03-09 This is Mr Bennett's fifth book poem of the Holy Bible without theologizing this volume has poetically captured and retained the true essence of the Minor lesser Holy Prophets and three miracle men Noah Jonah and Job As in all of his poetry this is unique in the annals of religious literature His desire is to complete the entire Holy Bible to poetic meter and rhyme before the Lord calls him home The Flying Scroll Pat Hockel, 2004-12 On the way to the movies a diverse band of friends find four sapphires in the woods that grant them extraordinary powers They find them helpful here and amusing there but the fun is about to start It turns out the sapphires are the power source of Saphiya Realm a next dimension world divided into four sections powered by one of the four sapphires They transport the teens to the world and are asked by its ruler Thundaka to save it from termination from existence Little do the teens know it's Thundaka who's destroying his own world and now he's after them too Armed only with otherworldly weapons supernatural abilities and each other Joey Jane Patrick and Stephanie race to save Saphiya Realm in hopes of escaping Thundaka's wrath and saving their own lives **The Story of the Bible: St. John to Revelation**, 1952 *THE INTERPRETER'S BIBLE*, 1957 *The*
