In It for the Long Run Scott Ludwig, Vanessa Stroud, 2012-09 Multiple races of marathon distance or greater in a month or perhaps in a weekend Several unsupported runs of 50 and 100 miles through the

mountains and forests several times a year Have you ever considered running through a desert across a frozen tundra or over multiple mountain ranges Why not run for three days straight to see how many miles you can accrue Welcome to a place where no locale is too inhospitable and no distance impossible Welcome to the Darkside The Darkside Running Club established in 2002 is a place where runners meet to express their love for distance running and camaraderie by spending countless hours and miles committed to doing what they enjoy most They share a singular focus towards achieving goals far off in the distance both literally and figuratively With their dedication and commitment you may believe the Darksider to be a professional athlete or perhaps an Olympian But you would be wrong they are simply ordinary people doing extraordinary things in the sport they love running Highly competitive while never taking themselves too seriously they strive to shave off minutes or perhaps hours while adding a mile or two or twenty while pushing their limits further and further The impossible becomes possible dreams become reality They won't take no for an answer as they persevere to move beyond physical and emotional discomfort to finish what they started Excuses don't exist Their passion is contagious So reader be warned they're in it for the long run

Enthralled and Released E. Werner, 1892 In the Wilderness Kim Barnes, 2010-12-08 Poet Kim Barnes grew up in northern Idaho in the isolated camps where her father worked as a logger and her mother made a modest but comfortable home for her husband and two children Their lives were short on material wealth but long on the riches of family and friendship and the great sheltering power of the wilderness But in the mid 1960s as automation and a declining economy drove more and more loggers out of the wilderness and into despair Kim's father dug in and determined to stay It was then the family turned fervently toward Pentecostalism It was then things changed In the Wilderness is the poet's own account of a journey toward adulthood against an interior landscape every bit as awesome as beautiful and as fraught with hidden peril as the great forest itself It is a story of how both faith and geography can shape the heart and soul and of the uncharted territory we all must enter to face our demons Above all it is the clear-eyed and moving account of a young woman's coming of terms with her family her homeland her spirituality and herself In presenting Kim Barnes the 1995 PEN/Jerard Fund Award for a work in progress by an emerging female writer the panel of judges wrote that In the Wilderness is far more than a personal memoir adding that it stands almost as a cautionary example of the power of good prose to distinguish whatever it touches Indeed In the Wilderness is an extraordinary work courageous candid and exquisitely written
