Publishers' Circular ,1864 **Sporting with the Gods** Michael Oriard,1991-02-22 Sporting with the Gods examines the rhetoric of game and play and sport in American culture from the time of the Puritans to the 1980s Focusing on writers and public figures who dominated public discourse Oriard shows how the trope of game and play in fiction and in religious social and economic writings can be used to graph changes in the religious and social climate from the Puritans through the Transcendentalists to the Social Darwinists and from the Beats and hippies to the New Age spiritualists of the present decade He also uses the trope to graph the shifting attitudes toward work and play in the game of business as the United States moved to industrial capitalism and then to a postindustrial society of consumerism and leisure The result is a history of this country from its inception through the lens of a single trope resonating with implications at every strata of American culture from back cover **The Publishers' Trade List Annual** ,1875 **The Cambridge History of American Literature: Colonial and revolutionary literature. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
