The Forked Flame A Study Of Dh Lawrence:

The Forked Flame H. M. Daleski,1900 The Forked Flame H. M. Daleski,1965 **The Forked Flame : a Study of D. H. Lawrence** Hillel Matthew Daleski,1965 *The Forked Flame* Hillel Matthew Daleski,1965 *The Forked Flame* Hermann M. Daleski,1967 *The forked flame* Herman M. Daleski, **Reader's Guide to Literature in English** Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study *D.H. Lawrence and Survival* Ronald Granofsky,2003-05-21 Granofsky shows that Lawrence s deliberate use of Darwinian elements in his narrative strategy occurred at a time when he was increasingly concerned about survival both personally due to illness and as an artist The result in his fiction is a subtext in which his anxieties are projected onto female characters and the evolution of his writing is frustrated by unresolved emotional conflicts Through new readings of the major fiction of Lawrence s transitional period Granofsky demonstrates that Lawrence s deterioration as a writer and the misogyny of his later work was primarily the result of a deliberate effort on his part to move the ideological yardsticks of his fiction **Visionary Closure In The Modern Novel** William R Thickstun,1988-03-29 *A D.H. Lawrence Handbook* Keith Sagar,1982 Includes information on author and playwright D H Lawrence such as a chronology of his life a chronology of his writings a checklist of his reading calendar and maps of his travel bibliography filmography and discography **The Moon's Dominion** Gavriel Reisner,1981 Posits a causal relationship between two themes in Lawrence s fiction usually thought to be unrelated the dominance of women and the conflict between the tale and the teller The connection is revealed in the course of a systematic analysis of the tale teller division in Lawrence s earlier novels Naked Liberty and the World of Desire Simon Casey,2004-06 In this new and original study Simon Casey explores the long neglected link between D H Lawrence and philosophical anarchism Focusing on the writings of some of the major anarchists with particular emphasis on Stirner Godwin Bakunin and Thoreau this book argues that the conceptual parallels between Lawrence and anarchism are strong and extensive and that reading Lawrence within the context of this tradition significantly enhances any understanding of his work Lawrence s faith in the essential decency of human nature his forceful defense of individual liberty and his intolerance of all forms of domination and control all reflect the essential features of anarchism *Naked Liberty and the World of Desire* looks at where these attitudes find explicit articulation in Lawrence s essays poems and letters and shows how they are illustrated in his major works of fiction *D. H. Lawrence and the Phallic Imagination* Peter Balbert,1989-05-05 **D. H. Lawrence** Harold Bloom,2009 Presents a brief biography of D H Lawrence critical views and plot summaries of four of his novels and an index of themes and ideas **Like a Black and White Kaleidoscope Tossed at Random** Jean-Paul Pichardie,Philippe Romanski,2001 First privately published in the United States in 1920 and ruthlessly reviewed on both

sides of *Atlantic Women in Love* remains one of the most provoking novels of this century. Largely because it defies single mindedness or dogmatic preconceptions the text has consistently thwarted the critics in their attempts at nailing it down. The present collection of essays sets out to explore how the novel keeps walking away with the nail as Lawrence himself wrote in *Morality and the Novel*. Visions and Ideas of Europe during the First World War Matthew D'Auria, Jan Vermeiren, 2019-08-02 Given the destruction and suffering caused by more than four years of industrialised warfare and economic hardship scholars have tended to focus on the nationalism and hatred in the belligerent countries holding that it led to a fundamental rupture of any sense of European commonality and unity. It is the central aim of this volume to correct this view and to highlight that many observers saw the conflict as a European civil war and to discuss what this meant for discourses about Europe. Bringing together a remarkable range of compelling and highly original topics this collection explores notions, images and ideas of Europe in the midst of catastrophe. The Rainbow D. H. Lawrence, 1993-10-26 A multi generational family saga that chronicles the lives of three generations of the Brangwen family on their Nottinghamshire farm and the riveting prequel to *Women in Love* from one of the greatest and most controversial writers of the 20th century. Rooted in an agrarian past Tom and Lydia Brangwen and their descendants find themselves navigating a rapidly changing world a world of unprecedented individualism, alienation and liberation. Banned after an obscenity trial in 1915 for its frankness about sexuality *THE RAINBOW* was most remarkable for the pathbreaking journeys of its female characters particularly that of Ursula Brangwen whose destiny Lawrence explored further in his next novel *Women in Love*. In its surface drama in its capacious and expansive rhythms that so resemble the rhythms of nature itself *THE RAINBOW* is one of the world's great examples of the multi generational family saga. But the large claim that Lawrence's masterpiece has made on the attention of readers and critics stems less from this fact than from the deeper parallel history he provides for the Brangwens a history of the growth of their souls moving in a great arc from sensuality to self awareness and freedom.

The Consciousness of D.H. Lawrence Daniel J. Schneider, 1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought. It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence's thought and feeling over the course of his lifetime. The author blends intellectual biography and psychology to focus on Lawrence's religious nature as a shaping force in his life. **Love and Death in Lawrence and Foucault** Barry Jeffrey Scherr, 2008 *Love and Death in Lawrence and Foucault* is the first full length study of Foucault and the Foucaultians not to look at them from a quasi hagiographical perspective. The Lawrentian point of view employed here to deal with Foucault and his oeuvre is utterly unique, imaginative and efficacious in explicating, demystifying Foucaultian theory while at the same time promoting Barry J. Scherr's courageous, indefatigable project of restoring D. H. Lawrence to his rightfully and supremely high place in the pantheon of great British literature. Rebellious and unconventional yet scholarly and mature *Love and Death in Lawrence and*

Foucault is the bravest and most unorthodox study of Foucault to date It is a worthy addition to Scherr s previous literary cultural studies D H Lawrence Today and D H Lawrence s Response to Plato A supremely lively incisive lucid and profound critique Love and Death in Lawrence and Foucault is indispensable to students and scholars of Lawrence and Foucault alike

The Changing Fictions of Masculinity David Rosen,1993 In a sensitive and provocative study of six great works of British literature David Rosen traces the evolution of masculinity inviting readers to contemplate the shifting joys and sorrows men have experienced throughout the last millennium and the changing but constant tensions between their lives and ideals Focusing on Beowulf Sir Gawain and the Green Knight Hamlet Paradise Lost Hard Times and Sons and Lovers Rosen shows how the actions of heroes fail to resolve tensions between masculine ideals and male experiences
