Duxbury,2001-02-05 Rock music of all varieties has been influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation The average listener may be unaware of the many links between rock music and the classics One might remember a few examples such as Walter Murphy s chart topping A Fifth of Beethoven or Eric Carmen s All by Myself but pass them off as interesting anomalies However the influence of the classics on rock music is pervasive and grows from a long line of precedents This second supplement to Janell R Duxbury s original 1985 discography Rockin the Classics and Classicizin the Rock brings the earlier work and first supplement up to date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres Duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics Variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions Duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists In these examples the musical style varies from strict classical interpretations to pop style orchestral renditions The second supplement then expands Duxbury s original compilation of

sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles Lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works An extended list of selected non rock background examples is included in several new appendixes The Preface is updated A general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles With its incomparable scope and content this supplement together with Duxbury s previous discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics     *Music Videodiscs* Richard Morris Jacobs,Ed Schwartz,1991     *The Laser Video Disc Companion* Douglas Pratt,1992     **Asian Americans Information Directory** Karen Backus,1992     **The Door Swings Both Ways** Pico Iyer,2016-01-26 A Vintage Shorts Travel Selection Welcome to China in 1985 to a nation that has just begun to swing open for the West and specifically for a young Time magazine journalist named Pico Iyer From the beloved set of travel essays Video Night in Kathmandu this is his dispatch From Beijing to Chengdu to Guangzhou Iyer crisscrosses the country making friends gathering impressions and always getting to the train station early very early Along the way he encounters a China eager to take in Western goods but not always Western values and a Great Wall established to keep the world out that s now being used to draw it in Neither Easterner nor Westerner knows where to turn With frank curiosity and prophetic clarity Iyer s travel essays have become the gold standard for the genre Here he gives us a time capsule of an ambiguous and fast changing China that remains strikingly familiar even today An eBook short     *VideoHound's Golden Movie Retriever 1996* VideoHound Editors,Videohound,1995-09 USA Today gave it a 4 star rating the Houston Chronicle called it by far the best and the New York Times says the Hound takes the lead in a blaze of supplemental lists The new 1996 edition of America s favorite guide to movies on video offers over 22 000 video reviews including 1 000 new reviews     *New Age Journal* ,1990     *Film and Video Finder, 1997* ,1997     **Bowker's Complete Video Directory 2001** ,2001     *The New Yorker* Harold Wallace Ross,Katharine Sergeant Angell White,1991-10     **Billboard** ,1985-06-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends     **They Snooze, You Lose** Lynell Burmark,2011-04-26 Presentation skills that that will captivate your audience every time In today s increasingly visual world the art of giving presentations is a much needed talent They Snooze You Lose provides a comprehensive guide made especially for teachers and administrators who want to become presentation stars in their classrooms at board meetings or any time they are in front of an audience Describes how to apply the author s proven
