**John and Revelation; New Testament Commentary** Christopher Lambe,2021-02-16 Unlike any other commentary on the New Testament Chris digs into ancient religious culture throughout the known world at the time John wrote his epistles and book on Revelation As the church started to accept and adopt false teaching in their day they began to worship idols in place of God like the Jews when they were sent to Babylon Both Old and New Testament Jewish cultures adopted the same images from the surrounding nations and began to worship pagan gods No matter Jew or Gentile John s teachings were all understood In today s world though it is different many are not taught after the manner of ancient culture and when one reads the Bible either the Old and New Testaments that references any form of symbolism as figurative language let alone Revelation it is foreign with descriptions of strange beasts candlesticks trumpets vials of wrath harps etc making no modern sense whatsoever However when looked upon with the view from ancient culture religion and myths about the heavens one can better understand the context John taught to the early church The way mainstream interprets the scriptures today has brought about much confusion      **CSB Life Counsel Bible** New Growth Press,CSB Bibles by Holman,2023-08-15 In the midst of challenging seasons of life there is hope The CSB Life Counsel Bible is designed to equip readers with biblical truth and counsel on a wide range of topics and tough life issues related to relationships marriage parenting and more Featuring over 150 full length articles from respected Christian counselors and scholars word studies callout quotes book introductions and a robust cross reference system this Bible is full of useful tools and resources for life application and discipleship grounded in the truth of the gospel of grace FEATURES More than 150 full length articles on a wide range of topics and tough life issues from respected Christian counselors and scholars Article contributors include Amy Baker Michael Emlet Elyse Fitzpatrick Justin Holcomb Bob Kelleman Diane Langberg Timothy S Lane Robert Jones Marty Machowski David Powlison Deepak Reju Joni Eareckson Tada Paul David Tripp Ed Welch and many more Callout quotes placed near each article that provide truth hope and encouragement to remember and apply to life Over 100 word studies focusing on key words from the Bible applicable to personal healing growth and counsel Book introductions including Circumstances of Writing Structure Contribution to the Bible and a special Truth for Healing section with an overview of key themes and truths related to healing from each book of the Bible Robust page end cross reference system with over 25 000 cross references
