The Fourth Magus A Litany Of Personal Psychic Experiences:

The Fourth Magus Hector M. Jr. Fernandez, Hector Fernandez Jr., 2001-07-17 If there s one thing that the author wants it is to be able to share his psychic experiences with as many people as possible However cognizant of the fact that not all peoples will be curious on his subject he decided to write these into a book for anybody interested to read He narrated here some of his unusual experiences spanning a period of fifty years Sometimes they did not seem logically explainable sometimes they were doubtful sometimes hair raising sometimes wonderful In many instances he had recurring dreams so vivid that they almost seem real At a later time he would be a witness to the scenery or the situation he saw in his dreams At first he doubted his recollections so he tried to list down his dreams of unusual places or events just so he can be sure when it has happened that indeed he dreamt about it The French have a term for it d j vu isn t it He had not experienced seeing dead people as ghosts but he was sure he heard something to convince him that they are still very much around These are some of the experiences he narrated which you could have experienced yourself **Medium Rare** Linda Lauren, 2013-09 From the time Linda Lauren was a small child her special gift started manifesting itself in the indoor movies that danced before her third eye Thankfully her Italian American family was able to embrace their daughter s curious abilities In fact the uncanny activities of the young fourth generation psychic medium were strikingly similar to those of her paternal grandmother in Italy Now Lauren shares her own experience from first visions to mainstream career psychic medium in her new memoir **Medium Rare The Memoir of a Fourth Generation Psychic Medium** An enthralling account of self discovery amid strange phenomena it s certain to engage readers interested in creating a happy life by following their inner guidance no matter how far removed it is from society s norms From that first view of the images inside her eyelids to her ultimate acceptance of her birthright Lauren chronologically recounts the events surrounding her gift that served as stepping stones to her eventual realization of the magnitude of her psychic capacity Throughout her experiences the author was fortunate to have deeply supportive parents who were able to shepherd her through her uncommon childhood with dignity respect and unflagging faith Soon Lauren s psychic tendencies were in full swing She courted ghostly visitors in her home She frequently conversed with her mom s friend Jeannie When a premonition about a falling painting at her Catholic school proved to be pan out she was removed from the school but not before safeguarding her fellow students from the hazard And while she enjoyed the popularity her skills afforded her at high school and beyond as she came of age she chose to play them down When as an adult she finally accepted her gift as her calling in life Lauren emerged as a leading psychic medium who has helped police investigations led paranormal excursions and is the owner and operator of Linda Lauren s Embracing The Universe Metaphysical Center in Mountainside New Jersey Her story not only reveals the fascinating path of a psychic medium in realizing the full potential of her natural gifts it is a rousing testament to the deep satisfaction anyone can channel by tapping into their individual attributes **Psychic Courier** Mary Lou Emami, 2015-12-15 While exploring spiritual realms celebrated
