

The French Broad

A Gutmann

The French Broad:

The French Broad Wilma Dykeman, 1955 **Through the Mountains** John E Ross, 2023-10-17 Two generations have passed since the publication of Wilma Dykeman's landmark environmental history *The French Broad*. In *Through the Mountains* The French Broad River and Time John Ross updates that seminal book with groundbreaking new research. More than the story of a single river, *Through the Mountains* covers the entire watershed from its headwaters in North Carolina's Blue Ridge and the Great Smoky Mountains to its mouth in Knoxville, Tennessee. The French Broad watershed has faced new perils and seen new discoveries since 1955 when *The French Broad* was published. Geologists have learned that the Great Smoky Mountains are not among the world's oldest as previously thought; climatologists and archaeologists have traced the dramatic effects of global warming and cooling on the flora, fauna, and human habitation in the watershed; and historians have deepened our understanding of enslaved peoples once thought not to be a part of the watershed's history. Even further, this book documents how the French Broad and its tributaries were abused by industrialists and how citizens fought to mitigate the pollution. *Through the Mountains* also takes readers to notable historic places: the hidden mound just inside the gate of Biltmore where Native Americans celebrated the solstices; the once secret radio telescope site above Rosman where NASA eavesdropped on Russian satellites; and the tiny hamlet of Gatlinburg where Phi Beta Phi opened its school for mountain women in 1912. Wilma Dykeman once asked what the river had meant to the people who lived along it. In the close of *Through the Mountains*, Ross reframes that question: For 14,000 years, the French Broad and its tributaries have nurtured human habitation. What must we start doing now to ensure it will continue to nourish future generations? Answering this question requires a knowledge of the French Broad's history, an understanding of its contemporary importance, and a concern for the watershed's sustainable future. *Through the Mountains* fulfills these three criteria and in many ways presents the larger story of America's freshwater habitats through the incredible history of the French Broad. *The French Broad* Wilma Dykeman, 1966 *The French Broad* Ginny Lindsey, Millie Buchanan, Clean Water Fund of North Carolina, 1992 **French Broad** Wilma Dykeman, 1955 **The French Broad River Atlas** William Edgar Trout, 2016 **Watershed** Jeff Rich, 2011-01-01 **Survey and Classification of the French Broad River and Tributaries, North Carolina** Frank R. Richardson, 1963 [The French Broad](#), 2021-09-15 This is a reprint of the original serial publication *Picturesque America*. It is a travel account from artist Harry Fenn and writer F. G. DuFontaine who journeyed through Western North Carolina into Tennessee following along the French Broad River and the Drovers Road, highlighting the natural beauty and unspoiled scenery of the river and surrounding mountains. **Species of the French Broad River**, 2023 **The French Broad Gorsline** Wilma Dykeman, 1955 [The French Broad](#) Constance Fenimore Woolson, 1875 [In the Spirit of the River](#) Nancy Gannon, Sid Jordan, Miira Price, 2024-08-31 Get ready to begin a thrilling adventure when you read *In the Spirit of the River*, a collection of five exciting stories for children between the ages of seven and twelve. These stories will take you on a

delightful journey through the French Broad River of North Carolina With each story you ll explore the River s specialness and deepen your understanding of it You will start floating with Long Man River and his family the creeks and streams as they feed the French Broad River from the mountains to the ocean Then you ll climb the high slopes of the Blue Ridge Mountains to visit an early farm family living on the cliffs overlooking the French Broad River Discover that one of the sons secretly nurtures a different wish to get an education He is ever curious to learn more and he makes friends with the French Broad River and a neighbor named River Joe who works on the railroad while dreaming of the river You will also meet Cherokee children whose ancestors built the earliest settlements along the French Broad River The Cherokee discovered the tremendous power of the Healing Waters and handed down their knowledge through stories to their children and grandchildren And if that s not enough you listen to the animals share their lives along the riverbanks and hear their cries for people not to dump dangerous waste into the water See how some wise animals create The Council of River Animals to save the French Broad and other rivers At your journey s end you ll board a sailboat and adventure along the river s headwaters escaping from pirates You will have a special treat and ride on The Cosmic River through the stars to discover a dream come true Enjoy these stories for hours of adventure and learning about the river So dive right into the magic of the French Broad River Preliminary Report, French Broad River Above Asheville Clarence J.
