Why Christianity—is it real, and what’s the difference? Michael Martz,2023-01-25 Michael Martz asks why so many people don t understand God think the Bible is too complicated and are convinced that being good is enough He challenges readers to take several steps back and reexamine what they believe to be true Consider questions such as What s the

difference between Christianity and all other beliefs Do we have to choose between Christianity or science It is impossible to not have a religion do you approach it forward or backward Why is there no such a thing as an atheist What is salvation Who decides Why did the veil tear Can we fall from salvation Are all three OSAS views wrong Why are so many who call themselves Christian unsaved Could that be you What does the Bible say about homosexuality pornography and sin who does God hate What does scripture teach about universalism Water baptism Will Christians go through the tribulation What is the danger At the rapture are wicked taken first and righteous left behind Why do Jehovah's Witnesses and Mormons carry verses they do not read or think are corrupted This text strives to prove the reality and simplicity of the Bible that it is scientific but naturalism is not and that a real person lived and died for us long ago and returned from the dead A person who claimed to be God who now offers Himself for intimate communion with us So many people perceive God and Jesus and the Spirit as detached and distant Can we experience God personally
