Packard,2017-12-20 Excerpt from The Further Adventures of Jimmie Dale A minute passed A section of the base board was lifted out the man s hand was thrust inside and emerged again with a large roll of banknotes He turned his head for a quick glance around the room his eyes burning out of a gaunt hollow cheeked pallid face held on the torn window shade and then in almost frantic haste he thrust the banknotes back inside the wall and began to replace the base board But it was not the window shade nor yet the courtyard without with which he was concerned it was the sound of a heavy footstep outside the door And now the door was tried The man on the oor working with desperate energy to replace the base board coughed in an asthmatic wheezing way as there came the imperative smashing of a fist upon the door panels coupled with a gruff curt demand for admittance Again the man coughed to drown perhaps the slight rasping sound as the base board slid back into

place and rising to his feet shuffled hastily to the door and unlocked it The door was unviolently Open from without a heavy built clean shaven sharp featured man stepped into the room slammed the door shut behind him he locked it and swept a shrewd inquisitive suspicious glance about the place About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
