Redmond,1890 **Future-proof Your Child for the 2020s and Beyond** Nikki Bush,Graeme Codrington,2019-08-01

Mommy Daddy what should I be when I grow up This is the question every child asks when they begin to develop a sense of the future and it s never been harder for parents to answer it than now This century is characterised by disruptive change that is turning our world upside down Jobs aren t just changing but whole industries are ceasing to exist The scripts for success and failure are being rewritten on a daily basis in our families at work and in life Do parents know who and what their children need to be let alone what they might be able to do in the future world of work This book doesn t just paint a picture of what the future might hold but provides frameworks and practical advice for what parents can do today in order to build solid foundations for their children in order to maximise their chances of success Children who are equipped with the right skill sets attitudes and world views will remain relevant and able to take advantage of future opportunities Aimed

primarily at anyone involved in raising children from birth to age twelve including grandparents educators support teams and extended family it is also an insightful handbook for those with teens Future proof Your Child for the 2020s and Beyond is an invaluable guide for parents who wish to create realistic and relevant parenting goals that will set their children up to thrive no matter what awaits them in the futu
