Army's most mysterious secret a centuries old conspiracy that traces back through history to the greatest escape artist of all Harry Houdini Meltzer is a master and this is his best Not since The Girl with the Dragon Tattoo have you seen a character like this Get ready to meet Nola If you've never tried Meltzer this is the one Harlan Coben The Escape Artist Kitty Thomas,2023-05-24 Claire was held captive for 43 days by a man who did unspeakable things to her Three years after her escape she gets her revenge The only problem is she's got the wrong man God help her if he escapes The Escape Artist is a Dark Romance that has an HEA and NO cliffhangers The Con Artist also occurs in this world Both books are interlocking standalone in the same world and can be read in any order Reader Praise Kitty described this book as a hybrid love child between Comfort Food and Tender Mercies my 1 and 2 and it absolutely is that If you liked either of those chances are you'll love this Charlie Goodreads Reader Her worlds always seem to be so wrong yet somehow turn out to have been right all along And this world is just another incredible example of that And holy sh does it ever deliver You almost couldn't make up a story this crazy Cindi Russell Goodreads Reader **Find Out about Ferrets** Colin Patterson,2006 If you want your ferret to be happy and safe and live double the average ferret lifespan If you don't have a clue what to do to when your ferret bites people or goes to the bathroom outside the litter box If you'd like your ferret to be overjoyed and greet you when you get home from work then this could be the most exciting book you'll ever read You'll learn everything you need to know to have a long life with a well behaved ferret who's pleasant to be around and feels affection toward you *The Publishers Weekly* ,1885 The Escape Artist Diane Chamberlain,2018-01-15 A runaway mother's dilemma Susanna Miller of Colorado loses custody of her baby daughter because of a stint in a mental home She absconds with her to Maryland and resumes life under an assumed name The dilemma comes when she learns of a serial killer's next move If she goes to the police she risks losing her daughter The Boy on the Lawn Sedonia Guillone,2022-04-26 5 Star Reviews for The Boy on the Lawn What an emotionally riveting book This story broke my heart the suspense mystery and story was weaved together in a perfect way Galina Goodreads Reviewer I absolutely loved this book The twists and turns kept me on the edge of my seat and I was late coming back from lunch at work because I did not want to put it down Don Amazon review Sixteen is too young to start criminal profiling Someone out there's given him no choice Hell is when your little brother goes missing I was only gone a few seconds getting change for the ice cream truck I didn't want to leave him but when he begs I'll do anything for him In the time it took me to grab the change off the kitchen counter and run back out he vanished Thank God he came back after less than a day For whatever reason whoever took him must have had a change of heart and returned him Though not before drugging him He's been acting weird ever since even more so than when he displays that bizarre superpower of his Not only that but my parents are acting weird too I thought they'd be so happy and grateful especially when a few days later other Asian boys began to disappear and not come back Not only aren't Mom and Dad thrilled Stevie is back they shuffled us off to live with our grandfather I don't have time to worry about that though Now I know how it feels to have someone I love

snatched away all I can think about is finding those boys and getting them back home which also means working with my grandfather's former student ultra handsome Detective Ito who leaves me tongue tied and I'm sure my family has figured out now I'm gay because of it Then Stevie and I can go back to our weird but more peaceful life of haunting the library stacks for homeschooling and Stevie's beloved Spiderman comics Fast forward Why did I ever think Stevie and I could have our life back We won't not ever Not only that Stevie's superpower is actually contagious and I'm going to have bad need of it
