bright March morning when you first hear the bluebird's note and it is as if the milder influences up above had found a voice and let a word fall upon your ear so tender is it and so prophetic a hope tinged with a regret There never was a happier or more devoted husband than the male bluebird He is the gay champion and escort of the female at all times and while she is sitting he feeds her regularly It is very pretty to watch them building their nest The male is very active in hunting out a place and exploring the boxes and cavities but seems to have no choice in the matter and is anxious only to please and encourage his mate who has the practical turn and knows what will do and what will not After she has suited herself he applauds her immensely and away the two go in quest of material for the nest the male acting as guard and flying above and in advance of the female She brings all the material and does all the work of building he looking on and encouraging her with gesture and song He acts also as inspector of her work but I fear is a very partial one She enters the nest with her bit of dry grass or straw and having adjusted it to her notion withdraws and waits near by while he goes in and looks it over On coming out he exclaims very plainly Excellent excellent and away the two go again for more material We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
