Lessons from Problem-based Learning H. J. M. van Berkel, 2010 Problem based learning PBL has excited interest among educators around the world for several decades Among the most notable applications of PBL is the approach taken at the Faculty of Health Medicine and Life sciences FHML at Maastricht University the Netherlands Starting in 1974 as a medical school the faculty embarked on the innovative pathway of problem based learning trying to establish a medical training program which applied recent insights of education which would be better adapted to the needs of the modern physician The medical school currently part of the FHML can be considered as an established school where original innovations and educational changes have become part of a routine The first book to bring this wealth of information together Lessons from Problem based Learning documents those findings and shares the experiences of those involved to encourage further debate and refinement of problem based learning in specific applications elsewhere and in general educational discussion and thought Each chapter provides a description of why and what has been done in the Maastricht program followed by reflection on the benefits and issues that have arisen for these developments The final section of the

book examines the application of PBL in the future and how it is likely to develop further Establishing Predominance of English for Specific Purposes within Adult English Language Teaching Nijolė Burkšaitienė, Nadežda Stojković, 2019-01-22

English for Specific Purposes ESP has accumulated substantial tradition in practice research and theory It is a common approach in English Language Teaching ELT among adults today starting with high schools then in academia pre and in service training and life long learning programs The role of ESP in each of these is to facilitate work in today's inevitably international business and scientific environment It provides language training based on the precise simulation of communicative situations found in the surroundings for which learners are preparing including for example domain specific vocabulary syntactic and morphological structures text and speech content structuring stylistics intercultural competence At present when English is present either as a foreign or second language learning General English GE is to a large degree accomplished before learners start needing English for their jobs In this way ESP does not complete GE but builds upon the foundations laid by it in learners prior education ESP is a channel of communication for the contemporary academia and economics However even so these are still early days for ESP as it does not yet have a recognised place within academia Only very recently have we begun to witness the occasional but encouraging emergence of ESP academic courses and departments This book thus explores practice and research conducted and under way in this field of ELT in order to assist its recognition as an autonomous academic discipline **English Unlimited Intermediate A and B Teacher's Pack (Teacher's Book with DVD-ROM)** Theresa Clementson, Leanne Gray, Howard Smith, 2013-07-18 English Unlimited is a six level A1 to C1 goals based course for adults Centred on purposeful real life objectives it prepares learners to use English independently for global communication As well as clear teaching notes the updated Intermediate A and B Teacher's Pack Teacher's Book with DVD ROM offers lots of extra ideas and activities to suit different classroom situations and teaching styles The DVD ROM provides a range of extra printable activities a comprehensive testing and assessment program extra literacy and handwriting activities for non Roman alphabet users and clear mapping of the syllabus against the CEFR can do statements It also includes the videos from the Self study Pack DVD ROM for classroom use **Cambridge English Empower Elementary Teacher's Book** Adrian Doff, Tim Foster, Ruth Gairns, Stuart Redman, Wayne Rimmer, 2015-01-29 Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment The Elementary Teacher's Book offers detailed teaching notes for every lesson of the Student's Book It also includes extra photocopiable activities keys to exercises and extra teaching notes Learning Technology for Education Challenges Lorna Uden, Dario Liberona, 2024-05-21 This book constitutes the refereed proceedings of the 12th International Conference on Learning Technology for Education Challenges LTEC 2024 held in Kaohsiung Taiwan during July 29 August 1 2024 The 26 full papers included in this book were carefully reviewed and selected from 51 submissions They were organized in topical sections as follows serious games and
