living as a survivor Perverzion IŃUŃrii Andrukhovych, 2005 What was the fate of Stanislav Perfetsky poet provocateur and hero of Ukrainian underground culture Evidence points to suicide But some whisper murder Some suggest the grand Eastern European tradition of coerced suicide It may even be related to the religious cult ceremony he happened upon in Munich or that job as a dancer in a strip club for older women Or then again it may not Perverzion constructs Perfetsky's final days using a mishmash of relics from official documents to recorded interviews to scraps of paper Perfetsky the personification of the Ukrainian artistic superman he used his masterful musicianship in a collaboration with Elton John during the pop star's secret sojourn in Ukraine is bound for Venice to participate in a seminar to save the world from absurdity On the way he becomes a Ukrainian Orpheus descending into the decadence of the West navigating through surrealistic adventures and no less surrealistic seminar topics as he charges head up and pants down toward his fate *Angel Riding a Beast*, 1998 The poems in *Angel Riding a Beast* are the stunning expression of the Romanian poet Liliana Ursu's years in America The sadness and paradoxes of exile and the clarity of a cross cultural awareness become for Ursu the psychological and descriptive framework for poems infused with the emotion and images of erotic longing and spiritual loneliness The combination of elegy and wit in the poems of Ovid the poet of exile with whom Ursu claims kinship is evident in her poetry as well Always conscious of both her new American freedom and the remorselessness of time and death Ursu explores the American landscape through the sad aura of those coming from Eastern Europe as if from some kind of inferno She displays remarkable insight into America's often formless and shallow society of consumers and yet her newly Americanized vision also allows her to reimagine and reevaluate her life and her country The alienating repression of recent Romanian history has led Romanian poets with Ursu as a source of inspiration for their almost violent intensity of language to resist and penetrate all boundaries and limits whether political ideological or aesthetic The sympathy of her cultural observations and the physicality of her poetic images and the desires that inform them give Ursu's poems an affecting and universal perspective in which desperate experience and places coalesce in a singular human landscape *Short Story Index*, 2004 *Skinswaps* Andrej Blatnik, 1998 Stories by a Slovenian writer In *His Mother's Voice* a boy sees a movie on a killer who mimics a woman's call to lure her son to his death The boy goes home it is dark his mother calls and the boy reaches for an axe In *Isaac* a death camp deportee attempts an escape from a train
