Obscured from our view of slaves and masters in America is a critical third party the state with its coercive power This book completes the grim picture of slavery by showing us the origins the nature and the extent of slave patrols in Virginia and the Carolinas from the late seventeenth century through the end of the Civil War Here we see how the patrols formed by county courts and state militias were the closest enforcers of codes governing slaves throughout the South Mining a variety of sources Sally Hadden presents the views of both patrollers and slaves as she depicts the patrols composed of respectable members of society as well as poor whites often mounted and armed with whips and guns exerting a brutal and archaic brand of racial control inextricably linked to post Civil War vigilantism and the Ku Klux Klan City councils also used patrollers before the war and police forces afterward to impose their version of race relations across the South making the entire region not just plantations an armed camp where slave workers were controlled through terror and brutality **Slave Hunt** J. A. Rock, 2016-10-17
Thirty people Two hours Only the strong will survive When Riddle decides to put on a slave hunt the Subs Club is on board Tops hunting bottoms in the woods with paintball guns Yes Captives strung up on whipping posts at the mercy of their captors Hell yes But on the morning of the hunt nothing s going according to plan Miles and Drix are at odds over Miles s reluctance to move in together Dave is determined to show up D who thinks Dave won t last two minutes in the woods Gould finds himself torn between obeying his master s orders and living out a longtime fantasy And Kamen inadvertently becomes a double agent when he aligns himself with two different parties By the end of the hunt alliances will be forged and broken loyalties will be tested relationships will be strengthened and someone will barrel roll Narrated by ten different characters Slave Hunt tells the story of two hours in the woods that will change everyone forever Or at least remind them that love is the greatest victory of all *Materials of the Mind* James Poskett, 2022-02-19
