Slide Interpretation Questions H. L. C. Beynon, C. Marguerie, C. Craddock, 1991-01-01 *Preparation for MRCP Part II P.* Siklos, S. Olczak, 2012-12-06 This book is directed towards post graduates who have passed Part I of the examination for Membership of the Royal College of Physicians and are preparing for Part II However it is hoped that physicians at all stages of their careers will find some parts that interest them Most of the material has appeared in the Hospital Update series Preparation for MRCP but this has been modified and expanded many useful points arising from correspondence relating to the series have been included and the authors would like to express their thanks to those who have written It is not intended that this should be used as a work of reference although there is detailed discussion of some subjects Only the written part of the examination is dealt with in detail but the introduction contains hints on tackling the clinical sections which the authors hope the candidates will find valuable There is however no substitute for clinical practice under supervision The questions in VII PREFACE the written section of the examination require short answers so that marking may be easy and objective This book contains questions similar to those that may be encountered in the examination but the answers have been expanded as a basis for discussion It is hoped that this will encourage the candidate to read around the subjects covered and the authors recommend that the questions are used as a basis for group discussion as answers other than those in the text may be considered Current Catalog National Library of Medicine (U.S.), 1993 First multi year cumulation covers six years 1965 70 **British Book News** British Council, 1991 Includes no 53a British wartime books for young people National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1983 Rapid Review of Clinical Medicine for MRCP Part 2 Sanjay Sharma, Rashmi Kaushal, 2006-06-13 This book is an invaluable resource with 400 self assessment cases and data interpretation questions covering all aspects of internal medicine It has great breadth of coverage superb illustration lively presentation precise answers and detailed discussion *Slide Interpretation in Oral Diseases* Crispian Scully, 1999 Lesions affecting the face and mouth are of great diagnostic value providing important information to the clinician In addition to the oral diseases which have oral symptoms many systemic diseases have oral manifestations and the patient may turn to either the dental or medical practitioner Many examinations including the BDS and postgraduate qualifications in medicine and dentistry MRCP contain a section on slide interpretation to measure the student s ability to manage clinical problems in an examination format This book contains over 100 slide interpretation questions divided into two sections The first section covers lesions by location and the second lesions by presentation This book is ideal for students to test their knowledge of oral diseases and the oral manifestations of systemic disease The questions are graded into three levels of difficulty and there are answers and accompanying explanatory notes at the end of each chapter In full colour the pictures range from the common to the more exotic to test the basic level of knowledge required and to help revision and to expand the student s awareness and encourage self directed learning Slide Interpretation in Oral Diseases and the Oral

Manifestations of Systemic Diseases Crispian Scully, Jonathan Shepherd, 1986 Although few medical students receive extensive training in oral examination patients usually turn to medical practitioners first when they have oral disease Designed to provide students with background in oral disease this heavily illustrated volume features six papers each accompanied by fifteen full color clinical slides of oral disease Every section presents a mixture of problems ranging from the common to the exotic and from simple dental lesions to oral lesions in systemic disease poses related questions and provides answers at the end along with extra illustrations and further discussion      **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988      Book Review Index , 1987 Every 3rd issue is a quarterly cumulation
