

A pair of hands is shown holding a small, vintage-style globe of the Earth. The globe is positioned in the center of the frame, held gently between the palms. The hands are light-skinned and appear to be belonging to a woman. The background is a dark, solid color, possibly black or dark grey, which makes the hands and the globe stand out. The globe itself is small and detailed, showing continents and oceans in various colors. The overall composition is simple and focused on the globe as a symbol of geography.
