MEET THE AUTHOR

Erica Romer is a multimedia journalist with a decade of experience spanning print, broadcast, and electronic platforms. A magazine editor of three award-winning publications, including the country's leading beauty magazine, Erica is a quintessential authority on the art, science, and study of beauty as a culture in and of itself. She has interviewed countless experts in the aesthetic, anti-aging, medical, and fitness realms, as well as the very plastic surgeons, cosmetic dermatologists, and aesthetic dentists responsible for giving Hollywood starlets their famous assets, if you will. A reporter at heart, Erica has interviewed the founding fathers and mothers of the beauty world, seeking out the industry's frontrunners to ensure her stories are medically sound, scientifically accurate, and most of all, cutting-edge. Her works have taken her as far as the United States Department of Agriculture for a story about organic beauty, as well as the White House during a Marine One launch of President George W. Bush and his daughter Barbara. Back in her days as a reporter, Erica's most rewarding experience to date, however, was the personal accomplishment of completely transforming her body composition with the help of a personal trainer and a regimented diet and exercise program. Erica lost a whopping 10 percent of her body weight, giving her a greater glimpse into the health-beauty connection and making her profession as a beauty fitness writer even more personal. She shares the celebrity secrets, tips, and tricks she used firsthand to help readers change not just their figures but their lives as well. If you're looking to tighten, tone, and transform by Friday, then Erica's latest ebook, *The Best Thigh Exercises: 10 Days to Thinner, Stronger*, will fire your flexibility and mobility, will increase, and you'll loosen up the joints, tendons, and tissues, priming them for higher intensity.
