Do You Speak American? Robert MacNeil, William Cran, 2007-12-18 Is American English in decline Are regional dialects dying out Is there a difference between men and women in how they adapt to linguistic variations These questions and more about our language catapulted Robert MacNeil and William Cran the authors with Robert McCrum of the language classic *The Story of English* across the country in search of the answers Do You Speak American is the tale of their discoveries which provocatively show how the standard for American English if a standard exists is changing quickly and dramatically On a journey that takes them from the Northeast through Appalachia and the Deep South and west to California the authors observe everyday verbal interactions and in a host of interviews with native speakers glean the linguistic quirks and traditions characteristic of each area While examining the histories and controversies surrounding both written and spoken American English they address anxieties and assumptions that when explored are highly emotional such as the growing influence of Spanish as a threat to American English and the special treatment of African American vernacular English And challenging the purists who think grammatical standards are in serious deterioration and that media saturation of our culture is homogenizing our speech they surprise us with unpredictable responses With insight and wit MacNeil and

Cran bring us a compelling book that is at once a celebration and a potent study of our singular language Each wave of immigration has brought new words to enrich the American language Do you recognize the origin of 1 blunderbuss sleigh stoop coleslaw boss waffle Or 2 dumb ouch shyster check kaput scram bumper Or 3 phooey pastrami glitch kibbitz schnozzle Or 4 broccoli espresso pizza pasta macaroni radio Or 5 smithereens lollapalooza speakeasy hooligan Or 6 vamoose chaps stampede mustang ranch corral 1 Dutch 2 German 3 Yiddish 4 Italian 5 Irish 6 Spanish **Her Perfect Man** Mary Lynn

Driven to Distraction Dixie Browning, 2010-11-15 In the know columnist Maggie Riley had a mission in mind to write a scathing exposé about a scam artist at an overpriced retreat. Seducing a woman out of house and home was a crime. But fate and a pair of ill-fitting shoes landed her against the hard chest of lawman Ben Hunter who had his own ulterior motives. In such a confined space their previous agendas were long forgotten as they flashed hot sultry gazes at each other. Maggie couldn't resist Ben's brooding eyes, not to mention how he filled a pair of jeans. Keeping their hands to themselves was pure torture. Would stubborn pride stand in the way of their blossoming love and a lifetime of wicked fun?

NOT ON HIS WATCH Cassie Miles, 2012-05-15 SECRET AGENT IN A STETSON Texas native Quint Crawford was more than just a cowboy with a big ol' black hat and a lazy drawl. He was an undercover agent on loan to the newly formed Chicago Confidential branch. His mission: Pose as an oil tycoon in order to safeguard the ultraprickly PR princess Natalie Van Buren. His top priority: Not to lose his heart to the sassy city girl. What started as threats had escalated into a kidnapping attempt and Natalie was scared. But she refused to be smooth-talked into having a bodyguard cramp her style. Little did she know that Quint was assigned her protector. But would she be more shocked by his secret or that she had done the unthinkable and fallen in love with a cowboy?

Remmie, a Southern Heiress Brenda Rice, 2012-02 Having spent all her life in foster care or group homes, Remmie had every reason to be angry. Life had not been kind to the lovely auburn-haired girl, but the Remingtons had given her another chance at life with every advantage. The wealthy doctor and his wife adopted Remmie when she was eleven. Remmie's life changed instantly. River Oaks, a lovely estate on the Chattahoochee River, became her home. Not only did the Remingtons provide for her, they loved her and she loved them. She excelled at everything she did. Pursuing a medical career at age nineteen was difficult, but Remmie had her mind set to finish ahead of schedule, which she did. Remmie was sure a busy career as a trauma surgeon would keep her mind off her past. Unfortunately, she lived with uncertainty and fear of failure. She was haunted by feelings of being abandoned. Why didn't her biological parents love her? How could people just abandon their child? Although Remmie's desire to know who she is and where she came from takes her on a journey far from River Oaks, she remains true to herself and true to her God, but more than that, she learns what forgiveness truly is.
