They dare her to succeed to make her dreams a reality because Monroe Caldwell and Max support her, believe in her, and love her. What could go wrong? Well, for one, she's not exactly a confident person. Her heart's been broken, her money stolen out from under her, and her only family, her brother, is a culprit through it all. She's been manipulated to believe she can't succeed without her ex or her brother. Alicia needs to learn to trust and to follow her heart. She's had enough and, despite the attempts at making her fail and trying to control her, her ex loses power as Alicia realizes true love is a powerful thing in deed, and noble men always come out on top.
