Small Groups And Political Rituals

Norman Stockman

Small Groups And Political Rituals:

Small Groups and Political Rituals in China Martin King Whyte, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974 *Small Groups and Political Rituals in China* Martin King Whyte, 1983 The Handbook of Political Behavior Samuel Long, 2013-11-11 In the writing of prefaces for works of this sort most editors report being faced with similar challenges and have much in common in relating how these challenges are met They acknowledge that their paramount objective is to provide more than an overview of topics but rather to offer selective critical reviews that will serve to advance theory and research in the particular area reviewed The question of the appropriate audience to be addressed is usually answered by directing material to a potential audience of social scientists graduate students and occasionally advanced undergraduate students Editors who are confronted with the problem of structuring their material often explore various means by which their social science discipline might be subdivided then generally conclude that no particular classification strategy is superior In elaborating on the process by which the enterprise was initiated editors typically resort to a panel of luminaries who provide independent support for the idea and then offer both suggestions for topics and the authors who will write them Editors usually concede that chapter topics and content do not reflect their original conception but are a compromise between their wishes and the authors expertise and capabilities Editors report that inevitable delays occur authors drop out of projects and are replaced and new topics are introduced Finally editors frequently confess that the final product is incomplete with gaps occurring because of failed commitments by authors or because authors could not be secured to write certain chapters **New Perspectives on State Socialism in China** Timothy Cheek, Tony Saich, 2016-12-05 Placing Chinese Communist Party history in the realm of social history and comparative politics this text studies the roots of the policy failures of the late Maoist period and the tenacity of the CCP *Retrofitting Leninism* Dimitar D. Gueorguiev, 2021 *Retrofitting Leninism* explains through the lens of China how open governance and modern information technology come together to sustain a tightly controlled but socially responsive system of authoritarianism When closed authoritarian regimes reform and open up they often fail most eventually breakdown The People's Republic of China stands as a notable exception How has the ruling Chinese Communist Party maintained power throughout decades of reform and rapid development Drawing inspiration from the CCP's Leninist origins Dimitar Gueorguiev offers a novel and empirically grounded explanation The key to the CCP's staying power he argues is its ability to integrate authoritarian control with social inclusion a combination that is being facilitated by modern telecommunications technology Relying on statistical data media reports and a series of original opinion polls Gueorguiev explores how public input feeds into political oversight and policy planning To

unpack how public preferences are acquired processed and prioritized he analyses bottom up representation and coordination in local Chinese legislatures Finally to evaluate the impact of inclusion he shows that public engagement contributes to both policy stability and public satisfaction Although public inclusion is instrumental to the CCP s hold on power Gueorguiev underscores that inclusive authoritarianism greatly depends on the voluntary participation of Chinese citizens which is far from guaranteed A trenchant exploration of the Leninist model today Retrofitting Leninism will reshape our understanding of the authoritarian approach to government and its prospects for the future

US Political Ritual and the Covid Pandemic Tammy R. Vigil,2024-12-15 US Political Ritual and the Covid Pandemic The 2020 Democratic and Republican Conventions illustrates the importance of the national nominating convention both as an ongoing custom that speaks to the unique political structure of the nation and as a source of valuable information that goes well beyond the explicit purposes conceptualized by the parties In this book Tammy Vigil specifically interrogates the 2020 nominating programs of the two major U S political parties by exploring the decisions Democratic and Republican leaders made regarding the use of technology inclusion of participants and construction of messaging during a campaign season altered by the Covid 19 pandemic Each party had the opportunity to adapt to the constraints of the moment rethink established practices and present a vision of the nation that would attract and motivate voters Vigil delineates the similarities and differences between the Democratic and Republican conventions and demonstrates how the events presaged many aspects of the general election and transition of power that followed

Moral Issues in Global Perspective - Volume 1: Moral and Political Theory - Second Edition Christine Koggel,2006-03-02 Now available in three thematic volumes the second edition of Moral Issues in Global Perspective is a collection of the newest and best articles on current moral issues by moral and political theorists from around the globe Each volume seeks to challenge the standard approaches to morality and moral issues shaped by Western liberal theory and to extend the inquiry beyond the context of North America Covering a broad range of issues and arguments this collection includes critiques of traditional liberal accounts of rights justice and moral values while raising questions about the treatment of disadvantaged groups within and across societies affected by globalization Providing new perspectives on issues such as war and terrorism reproduction euthanasia censorship and the environment each volume of Moral Issues in Global Perspective incorporates work by race class feminist and disability theorists Moral and Political Theory the first of the three volumes surveys a number of traditional Western liberal approaches to moral theory human rights justice and democracy as well as contemporary critiques of these approaches With nineteen new essays three of which were written especially for this edition this volume covers the necessary theories for understanding moral issues in a global context Moral Issues in Global Perspective is available in three separate volumes Moral and Political Theory Human Diversity and Equality and Moral Issues

Miraculous Response Adam Yuet Chau,2008-07-21 This book length ethnography of the revival of a popular religious temple in contemporary rural China

examines the organizational and cultural logics that inform the staging of popular religious activities It also explores the politics of the religious revival detailing the relationships of village level local activists and local state agents with temple associations and temple bosses Shedding light on shifting state society relationships in the reform era this book is of interest to scholars and students in Asian Studies the social sciences and religious and ritual studies **Peasant Cooperatives and Political Change in Peru** Cynthia McClintock,2014-07-14 This is the first study to apply to the topics of workplace democracy or change in political culture both before and after sample survey data as well as long term participant observation Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *1974 Annual Supplement* Joan Schmitz Bergholt,2013-12-21 The Five "Confucian" Classics Michael Nylan,2008-10-01 The Five Classics associated with Confucius formed the core curriculum in the education of Chinese literati throughout most of the imperial period In this book Michael Nylan offers a sweeping assessment of these ancient texts and shows how their influence spread across East Asia Nylan begins by tracing the formation of the Five Classics canon in the pre Han and Han periods 206 B C A D 220 revising standard views on the topic She assesses the impact on this canon of the invention of a rival corpus the Four Books in the twelfth century She then analyzes each of the Five Classics discussing when they were written how they were transmitted and edited in later periods and what political historical and ethical themes were associated with them through the ages Finally she deliberates on the intertwined fates of Confucius and the Five Classics over the course of the twentieth century and shows how the contents of the Five Classics are relevant to much newer concerns Contemporary Chinese Politics in Historical Perspective Brantly Womack,1991-11-29 Eight distinguished China specialists provide broad gauged original essays that attempt to explain the dynamics of contemporary Chinese politics by analyzing the preceding patterns of development **Warfare and the Dynamics of Political Control** Brian R. Billman,2025 Warfare and the Dynamics of Political Control explores how warfare shapes the establishment maintenance and collapse of political institutions across diverse societies and historical periods The chapters cover a wide range of topics and time periods to bring into focus the material and ideological drivers of conflict offering deep insights into the complex interplay between violence and political power **Creating Confucian Authority** Robert L. Chard,2021-07-19 Ritual Learning is a key driver in the cultural dominance of Confucianism In early China Confucian officials derive political influence from the sub discipline of ritual Imperial regimes establish legitimacy through their state religion headed by sacrifices to ancestors and to deities of Heaven and Earth Ritual Learning allows Confucian educated officials to assert control over these cults and reshape dynastic

legitimacy according to their own design claimed to derive from the sage kings of antiquity Confucianism is not just a philosophical and intellectual tradition Through its ritual expertise it has cultural and political power like that of a religion allowing it to perpetuate itself successfully over time even in contemporary China Understanding Chinese Society Norman Stockman,2013-07-08 This new book provides an accessible and wide ranging introduction to the main features of Chinese society Drawing on a wealth of material the author offers a fresh understanding of a unique society that has undergone continuous transformation and upheaval throughout the twentieth century Understanding Chinese Society looks in all its richness at the society with the largest population on earth In order to explore long term change and continuity the book examines China from pre revolutionary times to today s rapidly modernising society although the focus is on recent change Particular attention is paid to China s cultural traditions and hierarchical relationships in familial and wider social settings and their fate in the modern world Successive chapters investigate changes in the relations of rural and urban sectors of society in the structure of families in political and economic power in cultural hegemony education and the media and in patterns of social inequality A final chapter asks whether Chinese society is becoming more complex and differentiated in the course of modernisation and considers recent debates on the growth of civil society and democratisation This book will be indispensable for anyone studying Chinese society Asian societies and comparative sociology **Power and Ritual in the Israel Labor Party: A Study in Political Anthropology** Myron J. Aronoff,2015-05-20 An anthropological study of a major national political party one which dominated Israeli politics for nearly five decades and was returned to office in summer 1992 The analysis focuses on the relationship between culture and politics to explain the crucial role the Labour Party has played **Realms of Ritual** Peter Arnade,2018-10-18 While earlier historians have seen the elaborate public rituals of the Burgundian dukes as stagnant forms held over from the chivalric world of the High Middle Ages Peter Arnade argues that they were a vital theater of power through which the ducal court and the urban centers constantly renegotiated their relationship This book is the first to apply the combined insights of social political and cultural history to an important but little explored area of medieval and early modern Europe the Burgundian Netherlands Realms of Ritual traces the role of ritual in encounters between the dukes of Burgundy later the Habsburg princes and the townspeople of Ghent the most important city in the county of Flanders Arnade analyzes city state ceremonies through which Ghent s aldermen patricians guildsmen and the city s military and drama confraternities confronted local power and the growth of the Burgundian state In the first serious reappraisal of Johan Huizinga s classic work The Waning of the Middle Ages Arnade confirms Huizinga s vision of a Low Country society rich in public symbols yet reveals the city state conflict within which such ritual thrived He offers a dramatically new perspective on the Northern Renaissance as well as a historical anthropological model for the study of urban state relations **The Encyclopedia of Confucianism** Xinzhong Yao,2015-05-11 The Encyclopedia the first of its kind introduces Confucianism as a whole with 1 235 entries giving full

information on its history doctrines schools rituals sacred places and terminology and on the adaptation transformation and new thinking taking place in China and other Eastern Asian countries An indispensable source for further study and research for students and scholars

Competitive Comrades Susan L. Shirk, 2023-04-28 *Competitive Comrades* Career Incentives and Student Strategies in China provides a nuanced analysis of the complexities within China's educational institutions and examines the evolution of student behavior in response to political pressures and career incentives Focusing on the period between 1960 and 1966 the book delves into the high stakes world of Chinese high schools where the distribution of opportunities especially under Mao's virtuocratic policies produced a unique blend of ambition and moral posturing The book argues that Maoist policies which sought to fuse political virtue with academic performance created an intense atmosphere of competition that encouraged students to balance their academic and political ambitions with social strategies that would ensure their success Unlike meritocracies or traditional hierarchies this virtuocratic system intensified the stakes of student relationships and loyalty while paradoxically fostering political cynicism and alienation from the state a contradiction at the heart of the Maoist vision of revolutionary successors Through detailed interviews with former students *Competitive Comrades* reveals how students navigated these pressures showing that rather than fostering cooperation and ideological alignment Mao's policies often drove students toward strategic adaptations aimed at self preservation and advancement This exploration of the social and behavioral implications of virtuocracy provides critical insights into post revolutionary Chinese society and presents a comparative framework relevant to other regimes governed by similar principles of moral based selection Ideal for scholars of Chinese history political sociology and education studies *Competitive Comrades* sheds light on the unintended consequences of revolutionary moral ambitions on youth culture and social cohesion in Communist China This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982

Contemporary Political Protest Abby Peterson, 2018-02-06 This title was first published in 2001 An investigation of the new wave of militant political activity emerging across Europe The book examines the role of emotions in militant activity the way in which the body is implicated in militant political actions and the concept of media modernity as a precondition for the contemporary politics of militancy
