## **Small Arms Management And Peacekeeping In Southern Africa:**

**Small Arms Management and Peacekeeping in Southern Africa** Christopher Smith, Peter G. Batchelor, J. W. Potgieter, United Nations Institute for Disarmament Research, 1996 SCOTT copy 1 From the John Holmes Library collection

Demilitarisation and Peace-Building in Southern Africa Peter Batchelor, 2018-12-17 First published in 2004 this work is based on a collaborative research project this trilogy considers the dynamics of demilitarisation and peace building in southern Africa in the aftermath of major violent conflicts The overall aim of the research is to support and facilitate the achievement of sustainable peace and human development in southern Africa by analysing demilitarisation and peace building processes in the region and identifying policy options and interventions for peace building The central focus of the research is the extent to which demilitarisation following the termination of wars has contributed to broad processes of peace building in the affected region Has the military in southern Africa downsized and refocused towards new roles Has there been a peace dividend allowing more investment in economic and human development thereby dealing with some of the root causes of conflict Volume I provides a conceptual framework for the analysis of demilitarisation and peace building processes applicable particularly in the southern Africa context This volume argues that a broad concept of peace building has to take into account economic political social and cultural factors at the local national and regional level *Peacekeeping*

*Intelligence* David Carment, Martin Rudner, 2007-01-24 This is a new evaluation of the role dynamics and challenges of intelligence in peacekeeping activities and its place in a much wider social economic and political context It assesses the role of coalition forces law enforcement agencies development institutions and non governmental organisations who have become partners in peace support activities *Peacekeeping Intelligence* PKI is a new form of intelligence stressing predominantly open sources of information used to create Open Source Intelligence OSINT and that demands multi lateral sharing of intelligence at all levels Unlike national intelligence which emphasizes spies satellites and secrecy PKI brings together many aspects of intelligence gathering including the media and NGOs It seeks to establish standards in open source collection analysis security counterintelligence and training and produces unclassified intelligence useful to the public The challenges facing peacekeeping intelligence are increasingly entwined with questions of arms control commercial interests international crime and ethnic conflict This book will be of great interest to all students and scholars of military and security studies intelligence and peacekeeping

**War and Peace in Southern Africa** Robert I. Rotberg, Greg Mills, 2010-12-01 A Brookings Institution Press and World Peace Foundation publication The new South Africa as well as the surrounding southern region is finally free of apartheid and colonial rule Civil wars have ended democracy is everywhere Economically South Africa and the region are beginning to grow more rapidly than ever before But serious impediments to sustainable growth and effective participatory government remain President Nelson Mandela's African National Congress won a strong victory in South Africa's 1994 elections and has governed with skill and ambition ever since Nevertheless crime rates have soared as have the

number of illegal and conventional small arms car hijackings trade in drugs illegal immigrants and all manner of attacks on the political and social stability of the state This book puts these serious societal problems in perspective and provides fresh answers and recommendations The book includes chapters on crime rates and criminal syndicates the proliferation of conventional arms illegal populations movements drug trafficking the South African army and a concluding chapter on African armies and regional peacekeeping The contributors are Jacklyn Cock University of the Witwatersrand Robert Gelbard Assistant Secretary of State for Drug Enforcement and Legal Affairs Jeffrey Herbst Princeton University Mark Malan Mark Shaw and Hussein Solomon Institute for Security Studies Katherine Marshall the World Bank Steven Metz U S Army War College Greg Mills and Glenn Oosthuysen South African Institute of International Affairs C J D Venter South African Police Service and Joan Wardrop Curtin University Australia Copublished with the World Peace Foundation

**Small Arms and Security** Denise Garcia, 2006-09-27 This book examines the emergence of new international norms to govern the spread of small arms and the extent to which these norms have been established in the policies and practices of states regions and international organizations It also attempts to establish criteria for assessing norm emergence and to assess the process of norm development by comparing what actually happens at the multilateral level If norm making on small arms and related multilateral negotiations have mostly dealt with illicit arms and most of the norms examined here fall on the arms supplier side of the arms equation the author argues that the creation of international norms and the setting of widely agreed standards amongst states on all aspects of the demand for availability and spread of both legal and illegal small arms and light weapons must become central to the multilateral coordination of policy responses in order to tackle the growing violence associated with small arms availability Small Arms and Security will be of interest to researchers and professionals in the fields of peace and conflict studies global governance international security and disarmament

**The Global War on Your Guns** Wayne R. LaPierre, 2006

**Disarmament and Defence Industrial Adjustment in South Africa** Peter G. Batchelor, Susan Willett, 1998 Peter Batchelor and Susan Willett analyse the response of the South African defence industry to drastic cuts in military expenditure and the demilitarization of society since the end of the cold war and apartheid and the stabilization of the regional security situation The new ANC led government is seeking to use the resources released the peace dividend to restructure and revitalize the country's industrial base and to support reconstruction development and redistribution A lively debate on the country's security needs and strategic doctrine is under way As in other countries strategies of industrial diversification and conversion have met with limited success In the absence hitherto of any coherent government policy on defence industrial adjustment significant skills and technologies have been lost or wasted This book provides a historical analysis of South Africa's unique opportunity to develop new and innovative policies on defence and security matters the arms industry and arms exports and makes a valuable contribution to the international debate on the relationship between disarmament and development

ship resistance and propulsion university of southampton - Dec 07 2022

web module overview this module identifies the fundamental aspects and describes practical approaches for ship resistance and associated propulsion including propeller design and engine selection students will estimate the ship resistance and design propeller to fulfil the propulsion requirement

*ship resistance and propulsion practical estimation of ship propulsive* - Jan 28 2022

web sep 1 2011 abstract ship resistance and propulsion is dedicated to providing a comprehensive and modern scientific approach to evaluating ship resistance and propulsion this book written by experts in the

powering process chapter 13 ship resistance and propulsion - Jul 02 2022

web sep 7 2011 the selection of propulsion machinery and plant layout will depend on design features such as space weight and noise levels together with overall requirements including areas of operation running costs and maintenance all of these factors will depend on the ship type its function and operational patterns

*resistance and propulsion characteristics of various commercial ships* - Oct 05 2022

web may 1 2010 this paper uses computational tools to examine the speed performance of various types of commercial ships including resistance and propulsion characteristics eight commercial ships built in the last decade were selected for the study

**ship resistance and propulsion cambridge university press** - Feb 09 2023

web this second edition provides a comprehensive and scientific approach to evaluating ship resistance and propulsion written by experts in the field it includes the latest developments in cfd experimental techniques and guidance for the practical estimation of ship propulsive power

**ship resistance and propulsion wikipedia** - Jul 14 2023

web ship resistance is defined as the force required to tow the ship in calm water at a constant velocity components of resistance a body in water which is stationary with respect to water experiences only hydrostatic pressure hydrostatic pressure always acts to oppose the weight of the body
