SIMSOC: Simulated Society, Participant's Manual William A. Gamson, 2000-07-24 The official guide to SIMSOC the dynamic group simulation game whose potential for stimulating the learning process is staggering Teaching Sociology in which players grapple with the challenge of governing society In SIMSOC players confront issues like abuse of power justice diversity trust and leadership as they negotiate their way through labor management strife political turmoil and natural disasters Success or failure is dependent upon decisions made by players and the creativity of the group and every game is a teaching tool To be successful players must utilize every basic social process from cooperation and reward to threat and punishment SIMSOC will make participants ask questions about social control and bring everyday experience and deeper understanding to even the most arcane social and organizational theory Included in this Fifth Edition of SIMSOC s Participant s Manual are instructions for playing materials for play study questions based on participation and selected readings about simulation games leadership and social processes New to the Fifth Edition are additional size levels to accommodate groups of up to ninety participants with simplified rules and readings by authors from Nicholas Lemann to Robert Putnam

The Future of Political Science Harold D. Lasswell, 2017-09-04 Harold D Lasswell is arguably the quintessential face of political science to the larger public of the past century However there is a side to Lasswell less well known but of special importance in this day and age the place of the profession of politics as an academic activity This book written at the start of the culture wars thirty years ago outlines the basic core position of political science practitioners It helps to explain why the field kept its collective cool when other social science professionals veered to more extreme activist

positions The Future of Political Science grew out of the phenomenally rapid expansion of the study of government in the United States and elsewhere The study of professionalism among physical scientists lawyers engineers etc was not matched by such internal examination within the social sciences until much later Lasswell s overview centered on developments in the United States There unfettered study of government reached unprecedented heights in the final stage of the twentieth century The key concept of this volume one that continues to inform discourse is the relationship of political science as a mechanism for the study and teaching of the political system to the field as a tool of the Establishment This concern grew in the wake of a variety of scandals and secret support sponsored by both government and non government organizations alike The Future of Political Science covers areas ranging from membership size and disparities intervention scenarios in world events the nature of creativity in political research collaboration in projects with the other social sciences and the location of scientific centers of gravity in the study of politics Because of Lasswell s works we have a field of the political science of knowledge as well as the sociology of knowledge Harold D Lasswell served as Ford Foundation Professor of the Social Sciences at Yale University Distinguished Professor of Policy Sciences at Joh

Strategic Leadership Models and Theories Som Sekhar Bhattacharyya, Sumi Jha, 2018-06-29 This book explores the idea of an India centric leadership model presenting an in depth research study of strategic leadership theories and applying them to India s unique culture

Leadership in East Asia Chris Rowley, Ingyu Oh, 2020-06-29 This book compares and contrasts leadership in Japan South Korea and China examining the impact of globalization on leadership styles and trends Presenting some of the most recent findings in leadership studies in these three countries the collection explores the power relationship between political and business leaders employer employee relationships and pro social behaviour the measurement of effective leadership the relationship between leadership and corporate success the survival of private firms in a tightly controlled or socialist market and the evolution of leadership styles in the transition from state owned to semi private Although many studies have offered explanations of East Asian economic and corporate success this book presents empirical evidence to explain the leadership styles in Japan South Korea and China and provides a fresh outlook for those studying business and leadership in the region This book was originally published as a special issue of the Asia Pacific Business Review

The Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is nigh endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage

managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities Primate Politics Glendon A. Schubert,Roger D.

Masters,1991 The first book to focus on the political behavior of primates also undertakes to compare human social behavior with that of nonhuman primates The editors contribute probing introductory essays to each of the three major parts of the volume in addition to their article length introductory and concluding chapters In his conclusion Masters indicates directions for future work Part I is devoted to theoretical clarification of the interrelationships between the study of primates and humans Part II presents two examples of comparisons between animal and human social behavior that throw valuable light on contemporary political and social systems Part III focuses more precisely on contemporary human politics providing two concrete examples of ethological perspectives on human political behavior In both cases nonverbal cues studied by primatologists are shown to illuminate the dynamics of human politics Contributors include Nicholas G Blurton Jones Frans B M de Waal Basil G Englis Jane Goodall Bruno Latour Roger D Masters Gregory J McHugo Elise F Plate Thelma E Rowell Glendon Schubert James N Schubert Shirley S Strum and Denis G Sullivan **Handbook of Organizations (RLE:**

Organizations) James March,2013-06-26 This book charts the state of organizational research and theory during the 1960s A compendium of results references concepts ideas and theories this Handbook will be of interest to both academics in organizational theory and managers facing operating problems of organizations **The Political Influence of Churches**

Paul A. Djupe,Christopher P. Gilbert,2009 Abstract **Political Psychology** John T. Jost,Jim Sidanius,2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company Political Science James Roland Pennock,David G.

Smith,1964 *Political Mobilization of the Venezuelan Peasant* John Duncan Powell,1971 In the first part of this pioneering study John Duncan Powell traces the formation of a successful alliance between the peasant masses who sought land reform and a small urban elite which desperately needed a political power base Part II is devoted to an empirical structural functional analysis of the alliance **Small Groups and Political Behavior** Sidney Verba,1972 *The Organization of*

Interests Terry M. Moe,1988-09-15 Criticisms of Mancur Olson s theory of group membership and organizational behavior and discussions of the limits of his formulations are not new but Terry Moe has set them forth in thoroughgoing fashion has elaborated and extended them and has made positive new contributions The result is a book that is valuable and constructive

one that may well revive interest in the systematic study of political groups David B Truman American Political Science Review The Organization of Interests is a valuable addition to the literature It reminds us that the interior life of groups has political significance and gives us a conceptual framework for exploring that life It balances nicely between the pluralists who tend to interpret interest group behaviour entirely in political terms and Olson who has no satisfactory explanation for behaviour that is not attributable to economic self interest In the concept of the entrepreneur Moe gives us a useful analytical device which deserves operationalization The book is well worth study A Paul Pross Canadian Journal of Political Science

The Captivating Realm of Kindle Books: A Thorough Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent portability and ease of availability, have liberated readers from the constraints of physical books.
