Studies In A Farewell To Arms:

A Farewell to Arms Robert William Lewis, 1992 Ernest Hemingway's artistic powers are generally recognized to have been at their highest in *A Farewell to Arms* 1929 which has entered the canon of modern literature as one of its masterpieces. Combining austere realism and poetic language to present a powerful argument against war, the novel detailing the tragic affair during World War I between an American lieutenant and a Scottish nurse tells a touching love story at the same time. Long after its publication *A Farewell to Arms* continues to be an important work because of the questions it asks about the human condition: What is it like to be adrift, to live with uncertain personal values in a world of shifting values, to be unsure of the differences between good and bad and what should be desired and what actually is desired? In short, how does one learn to live? Hemingway's disillusionment and technical virtuosity, particularly in works like *A Farewell to Arms* and *The Sun Also Rises*, influenced a whole generation of writers. Robert Lewis's exceptionally comprehensive and clear study of *A Farewell to Arms* is new both in its particular readings and its various emphases. Building upon previous Hemingway scholarship, it concentrates on character and theme rather than plot and style. Structural and stylistic concerns are discussed in the first part of the book but with reference to their place in the creation of character and elaboration of certain themes. In the remainder of this study, Lewis explores a number of thematic clusters and oppositions in the novel: life and love as a game, sanity versus insanity and appearance versus essence. Finally, Lewis argues that *A Farewell to Arms* is at heart a novel about language. This wellwritten study should provide students and other readers with a thorough reading of *A Farewell to Arms* while also contributing to Hemingway scholarship in general.

Ernest Hemingway's A Farewell to Arms P.G. Rama Rao, 2007 This book studies Hemingway's *A Farewell to Arms* in the light of his aesthetic principles and major themes. It scrutinizes its symbolic dimensions and stylistic excellence while keeping an undeviating focus on the poignant classic of love in the time of war. This study further demonstrates how the novel appeals at different levels like the other works of Hemingway: as a story of war, a story of love, a story of the growth of the hero's soul, a story of memorable characters and a work of artistic excellence. The present book will definitely prove useful to students, researchers as well as teachers of English literature interested in the study of Hemingway and his works.

Fifty Years of Hemingway Criticism Peter L. Hays, 2013-11-07 A master of short story, novel and nonfiction prose, Ernest Hemingway has been the subject of countless books, articles and biographies. The Nobel prize winning author and his work continue to interest academics whose studies of his personal life are frequently intertwined with examinations of his writing. In *Fifty Years of Hemingway Criticism*, noted scholar Peter L. Hays has assembled a career

spanning collection of essays that explore the many facets of Hemingway his life his contemporaries and his creative output Although Hays has published on other writers Hemingway has been his main research interest and this selection constitutes five decades of criticism Arranged by subject matter these essays focus on the novels *The Sun Also Rises* *A Farewell to Arms* *For Whom the Bell Tolls* and *The Old Man and the Sea* as well as the short stories *The Undeclared War* *The Killers* *Soldier's Home* and *A Clean Well Lighted Place* Other chapters explore Hemingway's relationship with F Scott Fitzgerald teaching Hemingway in the classroom and comparing Hemingway's work to writers such as Eugene O'Neill Ford Madox Ford and William Faulkner When first published some of these essays offered original views and insights that have since become standard interpretations making them invaluable to readers Easily accessible by both general readers and academic scholars

Fifty Years of Hemingway Criticism is an essential collection on one of America's greatest writers **Hemingway's In Our Time** Wendolyn E. Tetlow, 1992 Many scholars consider *In Our Time* to be Hemingway's finest work yet the cohesiveness of this sequence of stories and interchapters has often been questioned Hemingway himself however had a clear idea of the work's integrity as his manuscripts and letters reveal As he wrote to his publisher Horace Liveright on 31 March 1925 There is nothing in the book that has not a definite place in its organization and if I at any time seem to repeat myself I have a good reason for doing so *Selected Letters* 154 According to Ms Tetlow author of this thoughtful study of Hemingway's *In Our Time* the relationship among the stories and interchapters is precisely analogous to that within a modern poetic sequence as characterized by M L Rosenthal and Sally M Gall in *The Modern Poetic Sequence* The Genius of Modern Poetry a grouping of mainly lyric poems and passages rarely uniform in pattern which tend to interact as an organic whole It usually includes narrative and dramatic elements and ratiocinative ones as well but its structure is finally lyrical 9 The structure of *In Our Time* then is similar to such works as Ezra Pound's *Hugh Selwyn Mauberley* and T S Eliot's *The Waste Land* works that progress tonally Looking closely at the language of *In Our Time* Ms Tetlow pays particular attention to recurring images and sounds and the successive sets of feeling these tonal complexes project She traces the lyrical pattern in the sequence as it builds in intensity from denial of fear suffering and death in the first stories and early interchapters and then traces the progression to cautious resignation in the latter stories and interchapters The author also takes into account the importance for Hemingway of Pound's and Eliot's aesthetics and demonstrates how Eliot's idea of the objective correlative and Pound's idea of direct treatment of the thing apply to Hemingway's stories and interchapters *Literary Essays* 3 Opening with a discussion of the six prose pieces in the original version the shorter *In Our Time* 1923 the study considers the aesthetic choices Hemingway made in revising these pieces when he incorporated them in his longer sequence of eighteen in *In Our Time* 1924 The study then discusses the lyrical progression of the prose sequence in the fully developed volume *In Our Time* 1925 Finally it looks at *A Farewell to Arms* and shows how the lyrical structure of *In Our Time* anticipates the longer work with its more continuous narrative pattern
