Nehama Leibowitz, 1983 *New Studies in Vayikra (Leviticus)* Nehama Leibowitz, 1993 *New Studies in Vayikra (Leviticus).* Nechama Leibowitz, 1996 **Studies in Vayikra, Leviticus** Nehama Leibowitz, 1980 For You Alone Terry A. Veling, 2014-04-18 The works of Emmanuel Levinas a survivor of the Nazi horror are striking in the constancy of their thought and the strength of their appeal We are not condemned to evil and hatred rather we are called to be for each other For You Alone explores the relational and religious quality of Levinas work Our lives are always twofold rather than one and the same A relational life is dependent on encounters that are revelatory Revelation means that life is no mere sameness but is tied to the revelation of the other to you Here is transcendence par excellence Here is what the name of God signifies the relational and ethical bond that takes us outside ourselves toward the other in our midst What could be more natural more human or more divine than to speak of the relational quality of life An answerable life means that we are asked after called required Here I am under your gaze Levinas writes obliged to you your servant In the name of God *Further Studies in the Five Books of Moses* Dr. Martin Sicker, 2021-06-06 The eight studies in this volume focus on additional aspects of the narratives in the Five Books of Moses that have frequently been glossed over by commentators ancient and modern and remain contentious to this very day These studies address subjects such as the primal mission of man in the creation narrative the covenant between the pieces the symbolism of circumcision the story of Jacob and his four wives and the rape of Dinah as depicted in the book of Genesis the story of the exodus from Egypt as related in the book of Exodus the reason for the premature death of the sons of Aaron Nadav and Avihu and the reason for the dietary laws as set forth in the book of Leviticus Although these studies do not claim to resolve the issues they examine it is their purpose to stimulate further interest in the complexities of the ancient biblical narratives and the hidden insights about human nature they provide

The Making of the Modern Jewish Bible Alan T. Levenson, 2011-07-07 Tracing its history from Moses Mendelssohn to today Alan Levenson explores the factors that shaped what is the modern Jewish Bible and its centrality in Jewish life today The Making of the Modern Jewish Bible explains how Jewish translators commentators and scholars made the Bible a keystone of Jewish life in Germany Israel and America Levenson argues that German Jews created a religious Bible Israeli Jews a national Bible and American Jews an ethnic one In each site scholars wrestled with the demands of the non Jewish environment and their own indigenous traditions trying to balance fidelity and independence from the commentaries of the rabbinic and medieval world *Sacrifice and Gender in Biblical Law* Nicole J. Ruane, 2013-08-06 This book examines the Hebrew Bible s numerous laws about sacrificial procedure to understand the significance of gender in sacrificial rituals and the reasons that gender distinctions are so vital in these acts Gender selection of both victims and participants is an intrinsic aspect of the nature and purpose of each rite affecting its form and function as well as its legitimacy Sacrifice and Gender in

Biblical Law considers the laws of the firstborn the rite of the red cow laws of slaughter rituals of purification and other offerings It shows that these laws regulate material wealth and contribute to the construction of social roles
