Studio St Petersburg:

Motion Picture Paradise David Morton, 2025-09-16 Highlighting Florida's essential often overlooked role in shaping American film and television Motion Picture Paradise is a sweeping story of filmmaking in Florida featuring the activities of studios and filmmakers across the peninsula by looking at the many iconic films and television shows shot in the state In the early years of the American film industry Florida was a favorite location for pioneer movie makers and David Morton chronicles the state's importance to producers throughout the next 125 years Often overshadowed by the well known entertainment industries of Hollywood and New York Florida has over time had several major film production centers Morton follows the rise and fall of filmmaking destinations across the state including Jacksonville St Augustine Tampa Bay Orlando and Miami as well as pioneering underwater and location based films shot at Florida's unique natural springs He argues that conflicting policies set by Florida politicians have at various times enticed or pushed away movie and television companies a pattern that has hampered serious investment Using a wealth of source materials Morton offers a comprehensive history that demonstrates how films and television shows made in Florida have influenced the state's sense of identity drawing attention to Florida's underacknowledged role as the third coast in American film history Motion Picture Paradise adds new insights into the state's dramatic social and economic transformations during the twentieth century *Federal Communications Commission Reports. V. 1-45, 1934/35-1962/64; 2d Ser., V. 1- July 17/Dec. 27, 1965-. United States.
