Ray, 2011-06-17 As Catholics in ever growing numbers are taking part in Bible studies many questions arise How do I study the Bible Where do I begin Is it OK to interpret the Bible for ourselves What Bible should I use How can I understand such a deep book as the Gospel of St John This book has the answer to these and many other such questions Stephen Ray takes the difficult and makes it easy he takes the confusion and makes things clear It gives a simple start for a beginner while providing the depth and profundity for the scholar This book is one of a kind It is the first extensive easy to use and thoroughly Catholic study guide available This Bible study provides extensive text boxes with detailed information that helps students discover the cultural religious historical and other information on the specific passage they are studying It utilizes quotes for a wide range of scholars historians and specialists to instruct the student and give valuable insights into the background and meaning of the text This book can serve as a basic Bible study guide for working through the Gospel of John helping the student plumb the depths of St John s marvelous and deeply spiritual Gospel It is excellent for use by individuals or groups for families or schools **John** Herschel H. Hobbs, 1973-04-01 New edition of Gospel of John Herschel H Hobbs 1965 *John: An Introduction and Study Guide* Francisco Lozada Jr, 2020-01-09 This study guide introduces gospel of John also known as the Fourth Gospel from an ideological perspective First Lozada deals with the key historical questions about how we come to understand John s historical identity Lozada explores debates around how scholars construct a picture of who where when and why John was written helping readers to recognize how scholars construct an historical identity for John Second Lozada introduces literary questions related to John such as its structure plot and narrative development showing readers on how an ideological reading is constructed Finally Lozada devotes three chapters to key ideological themes in the gospel related to otherness such as the portrayal of women the Samaritan woman and the Jews **Focus on John** Kathleen Mulhern, Stanley H. Purdam, 1996-04-01 Focus on John is part of the Focus Bible Study Series which contains studies of Matthew Mark Luke and John The Focus Bible Study Series is the perfect guide for in depth scripture study Each book in the series includes informative commentary thought provoking study questions and experiential group activities that encourage a deeper understanding of scripture The journal format has lots of space for writing and encourages personal reflection and spiritual growth The Focus Bible Study Series is ideal for individual or group study and reflection adult classes small faith communities retreats and midweek Bible study groups Each book features Thought provoking study questions with space for written responses A wealth of ideas to promote prayer and journal meditations that build faith and understanding of the scriptures Numerous suggestions for activities that promote experiential learning and meaningful discussion to encourage spiritual growth 1, 2, and 3 John: An Introduction and Study Guide Warren Carter, 2024-07-11 This insightful study engages the debates and interpretations of the brief and somewhat elusive writings known in the Christian canon as 1 2 and 3 John Chapter 1 identifies six unknowns about the

origins of the three writings authors relationship to John s Gospel order date and location of the writings and their audiences Chapters 2 and 3 delineate the debate concerning the relationship of these writings to a purported Johannine tradition and Johannine community in which a schism is claimed to have occurred An alternative view recognizes that while there are some connections with John s Gospel it is more compelling to see the writings as independent rather than derivative as internally not externally directed as pastoral not polemical and as schism free Chapters 4 7 discuss important aspects of 1 John Chapter 4 argues that its structure or organization is based on rhetorical and conceptual links among the writing s small units Chapter 5 reads 1 John as a pastoral in house writing rather than a polemical attack on opponents Chapter 6 identifies the genre of 1 John as not a letter or sermon but an epideictic speech that seeks to strengthen the identity commitments and practices of its believing recipients Chapter 7 outlines theological understandings that underpin the writing s pastoral work Chapters 8 and 9 focus on 2 and 3 John as writings that provide two different approaches to itinerant teachers The narrative fiction in 2 John presents the elder s warning and skepticism about itinerant teachers whereas the author of 3 John by contrast advocates reception and welcome for itinerant teachers
