Studying The Gospels:

Studying the Gospels Gideon Goosen, Margaret Tomlinson, 1994 *Documents for the Study of the Gospels* David R. Cartlidge, David L. Dungan, 1989 This collection of freshly translated texts leads to a new appreciation of the richness and variety of the religious world within which Christianity emerged as a powerful new force Bringing together for the first time under a single cover documents from Jewish Greek Roman Egyptian Syrian and little known early Christian sources the material is arranged to bring out as clearly as possible the ways in which early Christian worship of Jesus Christ as Savior and God both echoed contemporary worship of other savior gods and at the same time stood in sharp contrast to such worship This revised and enlarged edition contains a new introduction on texts and traditions in late antiquity a reworked translation of The Gospel of Peter selections from Ovid's *Metamorphoses* plus such documents as Papyrus Egerton 2 Oxyrhynchus Papyrus 840 and The Apocryphon of James In addition the table of contents has been expanded to allow easier access to the documents contained herein *Studying the Gospels* Gideon C. Easley, Steven L. Cox, 2006-10 Gospel harmonies were inevitable One of the first impulses of someone studying a teaching or an event in Jesus life is to seek as many perspectives on that event as possible Around AD 160 Tatian compiled a single narrative of the four Gospels reducing the number of verses from 3 780 four separate Gospels to 2 769 verses without excluding any event or teaching from the life of Jesus This Holman Christian Standard Harmony of the Gospels builds on a tradition of harmonization begun in the 19TH century by John A Broadus and continued by his protege A T Robertson The HCSB Harmony contains the full text of each of the four Gospels in the Holman Christian Standard Bible The Harmony contains interpretive and clarifying notes by a number of scholars some with differing views on the relationship between various Gospel accounts Beyond the Harmony this volume includes articles designed to address issues that arise when one compares the four Gospels and seeks to give an integrated account of the life and teachings of Jesus The HCSB Harmony is unique in that it contains
