development of Italian American ethnicity and thus identity on American soil through the generations Raised as a Catholic and deeply imbued with Catholic values Scorsese also deals with certain forms of Southern Italian vernacular religion which have left their imprint not only on Scorsese himself but also on the spiritually tormented characters of his Italian American films Casillo also shows how Scorsese interrogates the Southern Italian code of masculine honour in his exploration of the Italian American underworld or Mafia and through his implicitly Catholic optic discloses its thoroughgoing and longstanding opposition to Christianity Bringing a wealth of scholarship and insight into Scorsese s work Casillo s study will captivate readers interested in the director s magisterial artistry the rich social history of Southern Italy Italian American ethnicity and the sociology and history of the Mafia in both Sicily and the United States *The Boxing Scene* Thomas Hauser,2009

Battling Siki 1887 1925 was once one of the four or five most recognizable black men in the world and was written about in detail by such figures as Ring Lardner and his son John Damon Runyon and Westbrook Pegler One can find his legacy in the name of a popular rock group one of Che Guevara s lieutenants a character on Xena Warrior Princess and the Battling Siki Hotel in the fighter s homeland Senegal Peter Benson s biography of the first African to win a world championship in boxing delves into the complex world of sports race colonialism and the cult of personality in the early twentieth century Born

Amadu Fall Siki was taken from Senegal to France by an actress and assumed the name Louis M Barick Fall. After an inauspicious beginning as a boxer he served in World War I with distinction then returned to boxing and compiled a most impressive record: forty three wins in forty six bouts. Then on September 24 1922 at Paris's Buffalo Velodrome before forty thousand stunned spectators including a young Ernest Hemingway who wrote about the fight Battling Siki employing his trademark windmill punch fought and defeated the reigning world and European light heavyweight champion Georges Carpentier. The colorful Siki spent a fortune partying and carousing was arrested for firing a pistol in the air and was frequently seen on the streets of Paris dressed in flashy clothes walking his pet lion cubs on a leash. But he also provoked a scandal by exposing the corruption of the fight game in France spoke out boldly against racism and was arrested for deliberately defying the code of racial segregation in the American South. Siki's flamboyant image was largely created by newsmen. In fact the real Siki while he did certainly like to party was also an intelligent and socially conscious person who detested the media's image of him as a simple minded drunken savage. Offers rushed in for him to fight in the United States maybe even against Jack Dempsey. But in a move many have called one of the strangest a fighter ever made he fought Irishman Mike McTigue in Dublin on St Patrick's Day and lost. After losing his European title he came to the United States and fought without much success. He continued to drink and get into street brawls. On the evening of December 15 1925 at the age of twenty eight he was shot and killed in Hell's Kitchen in what some claimed was a gangland execution. Peter Benson's biography beautifully captures Battling Siki's amazing boxing career and sheds new light on the scandal surrounding his marriages and public behavior his alleged participation in ring fixes and the mystery surrounding his death.
