## Suitors To The Queen:

Suitors to the Queen Josephine Ross, 1975-01-01      Suitors to the Queen Josephine Ross, 1975 Looks into the circumstances and personal political and historical consequences of the Virgin Queen's romantic liaisons assessing Elizabeth's relationship with and handling of each of her short and long term suitors      *The Men Who Would Be King* Josephine Ross, 2011-10-01 The story of the many suitors of Elizabeth I one of the most eligible brides in 16th century Europe From her childhood overshadowed by the marital upheavals of her father Henry VIII and the tragic first encounter with courtship to the fantastical flirtations of her old age Elizabeth refused to commit herself to any man During the marriage negotiations which spanned half a century romance blended with diplomacy as one illustrious suitor after another endeavoured to ally himself to her in the most intimate of treaties Sought after by some of the most powerful men in Europe she knew her marriageable status to be one of her greatest assets She played one suitor against another exploiting her situation to the full both for England's profit and her pleasure By turns she encouraged and eluded her pursuers keeping alive hopes which she would never fulfil Yet one man did come close to winning her Ambitious devious Robert Dudley Earl of Leicester suspected by many of having murdered his wife was the most persistent of the suitors to the Queen and though he never attained the prize he longed for he was dearly loved by Elizabeth all her life This is a fascinating look at the many suitors of Elizabeth I      **The Men Who Would Be King** Josephine Ross, 2012-08-07 Courting the Virgin Queen For more than half a century Elizabeth I was pursued by kings princes and nobles from across Europe During the marriage negotiations romance blended with diplomacy as suitor after suitor endeavored to ally himself with her in the most intimate of treaties Yet not one of these illustrious rivals managed to secure his quarry Even Robert Dudley Earl of Leicester the most persistent of all the suitors to the queen never won her though he was dearly loved by Elizabeth all her life Why did so many fail Was Her Majesty haunted by the six marriages of her father Henry VIII Was her traumatic early love affair with Thomas Seymour a man who was effectively her stepfather to blame Or was Elizabeth simply in love with the chase A fascinating chronicle filled with romance and intrigue Josephine Ross's *The Men Who Would Be King* tells the riveting true story of the greatest hunt in history the pursuit of the Virgin Queen      The Suitors in the Odyssey Martin Steinrück, 2008 The suitors in the Odyssey strikingly resemble a very specific audience of iambic poets such as Archilochus or Semonides Justifying these young men's deaths the Odyssey engages in a polemic intertext with Archilochus attacks against the threatening epic discourse This study is concerned with reading both the traces of this often hidden quarrel in the Odyssey and the answers we can find within the iambic texts Although iambus and epos have been connected in earlier studies the direct portrait of the iambic audience within the Odyssey has not been examined This book allows the reader to see these issues in the larger social context      Suitors to The Queen Jennifer Ross,      Jesus the Epic Hero , Karl Olav Sandnes, 2022-08-29 The ancient cento genre was prone to be used on all kinds of subjects New texts were created out of the classical epics Empress Eudocia followed this

practice and composed the story of Jesus in lines lifted almost verbatim from Homer's epics. Jesus and his relevance to her audience is thus presented within the confines of style and vocabulary offered by the Iliad and Odyssey. The lines picked to convey her theology are often clustered around key Homeric motifs or type scenes such as warfare, homecoming, feast, reconciliation, hospitality. Jesus waging war against all evil and Hades in particular runs throughout this Homeric and simultaneously biblical epic. The story starts in the Old Testament which is conceived as a divine counsel on Mt Olympus where a plan to save sinful humanity is presented. The narrative then follows the biographic lines of the canonical gospels with John's Gospel holding pride of place in the way she renders and interprets the Jesus story. The story told suspends both the geography and time of Jesus. Eudocia preaches the story she tells. She emerges in this poem as one of the most if not the most prolific female theologian and preacher in the first Christian centuries.
