## **Summer Dance:**

**Summer Dance** Lynn Swanson, 2011-10-21 A Moonbeam Children's Book Awards winner Suggested for readers ages 10 to 13 Sara is thirteen and in the northern Michigan woods at Lakewood Dance Camp where she is excited scared and challenged by class auditions rehearsals and performances of authentic ballets She just HAS to win one of the three scholarships for the next summer so she can continue her training or there's no chance of returning She is determined to be a REAL dancer in a REAL company some day But how can she look good enough to win a scholarship when she has to learn new forms of dance try to figure out what Madame is saying with her Russian accent dance all day long and stay out of trouble Robin keeps getting in her way messing up rehearsals blaming her for a sprained foot and for problems with the boys across the lake Even her new friend Erin seems more interested in having fun sometimes than taking their classes and rehearsals seriously When dancers from The San Francisco Ballet make a visit and perform for the young dancers Sara is even more inspired Taking a master class with Yuri from the company is awesome and watching them perform Swan Lake is so romantic But it could all be ruined by not keeping up in class by getting caught looking into a secret practice room in the basement of the dance studio or being caught off limits on the boys side of the lake in the mysterious cabin in the woods Sara wants more than anything to sing the Lakewood song on stage after the final performance with a scholarship in hand but she has trouble even making up a dance for the student concert where the boys will be the audience If that isn't problem enough she is paired with Robin for the final dance performance and they just can't get it together Instead of making everything worse Sara needs to find a way to bring teamwork and success A glossary of dance and theater terms is included along with a What Do You Think discussion section at the end of the book

Salkind,2019 Today no matter where you are in the world you can turn on a radio and hear the echoes and influences of Chicago house music *Do You Remember House* tells a comprehensive story of the emergence and contemporary memorialization of house in Chicago tracing the development of Chicago house music culture from its beginnings in the late 70s to the present Based on expansive research in archives and his extensive conversations with the makers of house in Chicago s parks clubs museums and dance studios author Micah Salkind argues that the remediation and adaptation of house music by crossover communities in its first decade shaped the ways that Chicago producers DJs dancers and promoters today re remember and mobilize the genre as an archive of collectivity and congregation The book s engagement with musical kinesthetic and visual aspects of house music culture builds from a tradition of queer of color critique As such *Do You Remember House* considers house music s liberatory potential in terms of its genre defiant repertoire in motion Ultimately the book argues that even as house music culture has been appropriated and exploited the music s porosity and flexibility have allowed it to remain what pioneering Chicago DJ Craig Cannon calls a musical Stonewall for queers and people of color in the Windy City and around the world      **The Kentucky Encyclopedia**
