**All Summer** William D. Matter,2017-03-01 The termination of the war and the fate of the Union hung in the balance in May of 1864 as Robert E Lee s Army of Northern Virginia and Ulysses S Grant s Army of the Potomac clashed in the Virginia countryside first in the battle of the Wilderness where the Federal army sustained greater losses than at Chancellorsville and then further south in the vicinity of Spotsylvania Courthouse where Grant sought to cut Lee s troops off from the Confederate capital of Richmond This is the first book length examination of the pivotal Spotsylvania campaign of 7 21 May Drawing on extensive research in manuscript collections across the country and an exhaustive reading of the available literature William Matter sets the strategic stage for the campaign before turning to a detailed description of tactical movements He offers abundant fresh material on race from the Wilderness to Spotsylvania the role of Federal and Confederate cavalry Emory Upton s brilliantly conceived Union assault on 10 May and the bitter clash on 19 May at the Harris farm Throughout the book Matter assesses each side s successes failures and lost opportunities and sketches portraits of the principal commanders The centerpiece of the narrative is a meticulous and dramatic treatment of the horrific encounter in the salient that formed the Confederate center on 12 May There the campaign reached its crisis as soldiers waged perhaps the longest and most desperate fight of the entire war for possession of the Bloody Angle a fight so savage that trees were literally shot to pieces by musket fire Matter s sure command of a mass of often conflicting testimony enables him to present by far the clearest

account to date of this immensely complex phase of the battle Rigorously researched effectively presented and well supported by maps this book is a model tactical study that accords long overdue attention to the Spotsylvania campaign It will quickly take its place in the front rank of military studies of the Civil War **Shenandoah Summer** Scott C. Patchan, 2009-04-01 Jubal A Early's disastrous battles in the Shenandoah Valley ultimately resulted in his ignominious dismissal But Early's lesser known summer campaign of 1864 between his raid on Washington and Phil Sheridan's renowned fall campaign had a significant impact on the political and military landscape of the time By focusing on military tactics and battle history in uncovering the facts and events of these little understood battles Scott C Patchan offers a new perspective on Early's contributions to the Confederate war effort and to Union battle plans and politicking Patchan details the previously unexplored battles at Rutherford's Farm and Kernstown a pinnacle of Confederate operations in the Shenandoah Valley and examines the campaign's influence on President Lincoln's reelection efforts He also provides insights into the personalities careers and roles in Shenandoah of Confederate general John C Breckinridge Union general George Crook and Union colonel James A Mulligan with his fighting Irish brigade from Chicago Finally Patchan reconsiders the ever colorful and controversial Early himself whose importance in the Confederate military pantheon this book at last makes clear The Maps of Second Bull Run Bradley M. Gottfried, 2024-11-21 A map based analysis of the Second Bull Run Campaign detailing troop movements battles and strategies with full color cartography and insightful commentary The Maps of Second Bull Run An Atlas of the Second Bull Run Manassas Campaign from the Formation of the Army of Virginia Through Chantilly June 26 September 1 1862 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War This is the tenth book in the ongoing Savas Beatie Military Atlas Series President Abraham Lincoln's frustration with George B McClellan's inability to defeat Robert E Lee and capture Richmond dramatically increased after the unsuccessful Seven Days Battles In response Lincoln combined three small armies into the new Army of Virginia and placed it under Maj Gen John Pope who had overseen several successes in the Western Theater Pope's aggressiveness and McClellan's passivity on the Peninsula convinced Lee to send Thomas Stonewall Jackson's wing of the Army of Northern Virginia to confront Pope A bloody battle at Cedar Mountain on August 9 halted Pope's move south and Jackson's raid on the vast stores at Manassas Junction triggered another confrontation this time at Kettle Run When McClellan's troops abandoned the Peninsula Lee moved his other wing under James Longstreet rapidly north Pope missed an opportunity to prevent the junction of Lee's wings by not stopping Longstreet at Thoroughfare Gap The battle of Second Bull Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson's front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope's army The retreat was briefly interrupted by some of Jackson's units at Chantilly which ended the campaign The Maps of Second Bull Run plows new ground by breaking down the entire campaign into 24

map sets or action sections enriched with 122 detailed full page color maps These cartographic originals bore down to the regimental and battery level They include the march to and from the battlefields and virtually every significant event in between including cavalry actions At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the cavalry actions come alive This presentation allows readers to easily find a map and text on any portion of the sprawling campaign Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields A final bonus is that the maps unlock every other book or article written on any aspect of the campaign Perfect for the easy chair or for stomping the hallowed grounds The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle

**Capitalism on the Frontier** Carroll Van West, 1993-01-01 Focusing on the Clark s Fort Bottom a twenty five mile stretch between present day Park City and Billings Montana this pathbreaking study examines the successive stages of capitalist development in Billings and the Yellowstone Valley during the nineteenth century From the subsistence and barter economy of the Native Americans through the fur trade era and the settlers introduction of a market economy the introduction of industrial capitalism by the Northern Pacific Railroad and the increasing influence of corporate capitalism in the latter part of the century Carroll Van West shows how each stage affected the relationships and choices shared by the local inhabitants By setting local events in a broader context West not only illuminates the circumstances unique to the Yellowstone Valley but sheds new light on a central issue of western history the interaction of local regional and national economies and the influence of corporate decisions made in the east on western settlement and urban development
