Summers Last Kiss 3 Sweet Sixteen:

Forever One Summer George M. Leon, 2007-11-20 This is a love story based on events that occurred in my life more than fifty years ago Some of the names have been changed and some events may have been diminished or embellished while recalling things that happened when writing the story The story is based on recollections of actual experiences I had It is a story filled with discovery joy and the innocence of teenage years back in the fiftys It also shows how those years became the building blocks of a lifetime The motivation for writing this came from an extraordinary thing that happened to me in the Spring of 2006 that stirred my memory and caused me to recall with clarity what I had so long ago buried in my subconscious mind I met a person who became a good friend but more importantly she reawakened everything I had discovered in that one magical summer back in 1954 Looking back as an adult fifty years later made me realize that there is symmetry in life but many people never take the time to see it This all started for me when we returned from our Winter Condo in Boca Raton Florida in April of 2006 As per my usual morning routine I continued to awaken early and go over to Starbucks to sit and have my morning cup of Decaf Americano Id sit there and read the Daily News or the New York Times and chat with some fascinating people I had met whod become friends in the several years since I retired One particular April morning I came in and they had a new person in charge of the morning shift working there From the moment I saw her I could not stop looking at her There was something instantly so familiar about her but I wasnt able to see exactly what it was initially When I made the connection with what it was it hit me like a ton of bricks After we were introduced we began chatting briefly but the more we made small talk the less I actually heard what she was saying as memories of my past flooded back All of a sudden I was fifteen years old again I knew then I had to sit down and somehow get this written I also knew I would at some point have to share this amazing story with her if or when I got to know her better It was interesting recalling my early childhood and the events that brought me to that wonderful summer of discovery and falling in love for what I believed then to be the first and last time in my life That summer held some of the keys to the person I would become as I grew up and dealt with life at all ages

Summer After Summer Lauren Bailey, 2024-05-07 A woman returns to her family s Hamptons beach house for a final time and a final chance at the love she s lost before in this contemporary retelling of Persuasion perfect for fans of Emily Henry and Rebecca Serle Olivia Taylor s marriage is in a death spiral when she agrees to come home to the Hamptons to help her father and sisters pack up the family estate If it looks like she s running away from her soon to be ex Wes and New York City well she is But someone has to take care of things and that s always been Olivia s role in the family After years of financial trouble someone s finally bailing them out with a huge offer to buy their beachfront property which is a good thing although it means losing the home she grew up in where her mother died and where she first met Fred the love of her life It s been five years since the last time things blew up between Olivia and Fred but much longer since the first time At this point Olivia fears it was never meant to be so there s no reason to feel butterflies in her stomach at the idea of seeing him again
