Copyright Office,1932 **Books and Notes** Los Angeles County Public Library,1926 *Quarterly Bulletin* Berkshire Athenaeum and Museum,1923 **Will James, the Gilt Edged Cowboy** Anthony A. Amaral,1967 Will James has been dead for more than two decades but the books that flowed so prolifically from his pen and his great gift as painter and illustrator still keep his name perpetually alive James writing either in fiction or serious study possessed the vernacular and earthy grain of the cow camp and the sweep and flavor of the open range From the first word he ever wrote for publication from the first sketch he ever produced rings the authenticity of a man who truly has known the West There is no doubt that Will James was the cowboy genius But since his untimely death in 1942 every attempt to run down the facts of life pertaining to this taciturn and silent novelist and artist has met with failure on the part of the biographer His Lone Cowboy universally accepted as the autobiography of Will James has just as universally fell apart when placed under the glass of scholarly scrutiny The day Will James died the riddle of Will James alive was as poignantly real as the day his first novel or first illustration appeared To ferret out the story of the real Will James Anthony Amaral emerges as a literary detective of the highest order But the real story of the real Will James as told in this remarkable biography rivals any novel ever to come from the facile pen of James himself While its candid portrayal will shock and surprise many who imagined they knew the Will James story it in no way undermines the man s intrinsic greatness in the field of art and letters Honest and understanding in the handling of the great revealment Anthony Amaral has not sacrificed scholarship in telling the exciting story of this man s life Book jacket **The Log of the Cowboy and Other Trail Tales - 5 Western Novels in One Volume** Andy Adams,2024-01-16 In The Log of the Cowboy and Other Trail Tales Andy Adams masterfully compiles five Western novels that encapsulate the rugged spirit of the American West during the late 19th century With a keen eye for detail and an authentic voice Adams intertwines rich narratives with vivid depictions of life on the frontier capturing the essence of the cowboy experience His prose is both evocative and accessible often interspersed with colloquial dialogue that paints a realistic portrait of the characters and their adventures This collection not only entertains but also serves as a historical document providing insights into the social and economic conditions of the era Andy Adams renowned for his authentic portrayal of frontier life draws upon his own experiences as a cowboy and rancher lending credibility to his storytelling His passion for the Western genre is evident in his

meticulous character development and plot construction which stem from a deep understanding of cowboy culture and the challenges they faced Through these narratives Adams preserves the legacy of the Western mythos while also critiquing the romanticization of this lifestyle This volume is highly recommended for readers who seek an authentic glimpse into the life of cowboys during a transformative period in American history Whether you are a fan of Western literature or new to the genre Adams nuanced storytelling offers an engaging exploration of camaraderie conflict and the relentless pursuit of freedom on the open range
