## Sunflower House:

**Sunflower House** Eve Bunting, 1996 Publisher Description      Sunflower Houses Sharon Lovejoy, 2017-01-24 A magical book of adventures and appreciations written and illustrated by the author of *Roots Shoots Buckets Boots* this award winning title was published by a small press in Colorado in 1991 The reviews say it all A fetching primer on gardening for children Irresistible The Smithsonian What child or indeed adult would not be delighted Lovejoy's recollections are wonderful as are the illustrations Victoria Celebrating the lore of the garden and the joy of interacting with nature Sunflower Houses is a unique garden lover's miscellany a collection of memories poems activities garden plans crafts botanical riddles stories games and planting projects There are inspirations for a Floral Clock Garden A Child's Own Rainbow Faerie Tea Parties and of course the Sunflower House Plus from garden lovers stories of favorite flowers Throughout are the artist's warm and appealing watercolors of a life in gardening remembered      Living Walden Two Hilke Kuhlman, 2010-10-01 In Walden Two behavioral psychologist B F Skinner describes one of the most controversial fictional utopias of the twentieth century During the 1960s and 70s this novel went on to inspire approximately three dozen actual communities which are entertainingly examined in Hilke Kuhlmann's *Living Walden Two* In the novel behavioral engineers use positive reinforcement in organizing and gently guiding all aspects of society leaving the rest of the citizens free to lead happy and carefree lives Among the real world communities a recurrent problem in moving past the planning stages was the nearly ubiquitous desire among members to be gentle guides coupled with strong resistance to being guided In an insightful and often hilarious narrative Hilke Kuhlmann explores the dynamics of the communities with an in depth examination of the two surviving Skinnerian communities Comunidad Los Horcones in Mexico and Twin Oaks in Virginia Drawing on extensive interviews with the founders and key players in the Walden Two communities Kuhlmann redefines the criteria for their success by focusing on the tension between utopian blueprints for a new society and communal experiments actual effects on individual lives

The Earth for All Jeremy E. C. Genovese, 2025-01-23 Throughout history groups of people disillusioned with society have tried to create utopian communities organized on new principles Typically they hold some or all of their property in common Often they are motivated by religious convictions or by some type of socialist ideology While many of these communities collapsed some in a matter of months a few of them continued for decades and even generations This book analyzes what makes a utopian group successful and what can be learned from their example Among the most successful of these utopian experiments were those inspired by the teachings of American economist Henry George George's vision of expanded individual freedom coupled with economic justice gives us a map towards a better world      *The Heart of Simple Living* Wanda Urbanska, 2010-04-15 *The Heart of Simple Living* is your road map to a more balanced life a life centered on self discovery Fewer possessions More time More friends More meaning This book will help you identify objectives for your life and create awareness of your actions and finances while planning for your future This inspirational book delivers seven

tangible and actionable paths woven together with real life stories and humor along the way You can follow these paths sequentially or cherry pick them one at a time Pursuing a life of simplicity is a journey and as you blaze the trail to your simple life celebrate the magic and joy of family ritual and community the perfect prescription for essential good health and well being
