The Forest Lovers Maurice Henry Hewlett, 2017-09-16 Excerpt from *The Forest Lovers: A Romance*. He kissed him twice and went his way with out any more farewells than the boy's snivelling. He never looked behind at Starning demesne where he had been born and bred and might have followed his father to church nor sideways at the broad oaks nor over to the well tilled fields on either side his road but rather pricked forward at a nimble pace which tuned to the running of his blood. The blood of a lad sings sharpest in the early morning the air tingles the light thrills all the great day is to come. This lad therefore rode with a song towards the West following his own shadow down the deep starning lanes through the woods and pastures of Parrox over the grassy spaces of the Downs topping the larks in thought and shining beam for beam against the new risen sun. The time of his going out was September of the harvest a fresh wet air was abroad. He looked at the thin blue of the sky he saw dew and gossamer lie heavy on the hedge rows. All his heart laughed. Prosper was merry. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. The Forest Lovers Maurice Hewlett, 2019-12-05 Maurice Hewlett's *The Forest Lovers* is a lyrical exploration of love, nature and the perennial struggle between humanity and the wild. Set against the enchanting backdrop of the Forest of Dean during the medieval period, the narrative weaves together elements of romance and fantasy with a rich prose style that immerses the reader in a palpably vivid landscape. Hewlett's deft incorporation of both folklore and historical detail enriches the narrative, allowing readers to experience the lushness of the forest not just as a setting but as a character in its own right, mirroring the passions and trials of its human inhabitants.

Hewlett a noted English author of the early 20th century was influenced by the Romantic movement and its reverence for nature as well as his own experiences in the rural English countryside His appreciation for the intricacies of human emotion and his fascination with myth and legend united to form a narrative that transcends mere escapism it is an exploration of the delicate interplay between love and the elemental forces of nature This thematic resonance stems from Hewlett s own diverse literary influences and his desire to reflect the complexities of the human spirit The Forest Lovers is a must read for those who appreciate rich evocative prose and the intricate interplay of human and natural worlds Whether one seeks an exploration of timeless love stories or a deep immersion into the enchantment of the natural realm Hewlett s novel offers a captivating journey that lingers long after the final page is turned *The Forest Lovers; A Romance* Maurice Henry Hewlett,2016-05-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The forest lovers, by maurice hewlett** Maurice Hewlett,1901 **THE FOREST LOVERS MAURICE HEWLETT,1898** *The Forest Lovers* Maurice Hewlett,2021-04-11 The Forest Lovers is a historical romance novel written by Maurice Hewlett It is set in medieval France and tells the story of Prosper le Gai and his experiences in the mysterious forest of Morgraunt The hero of the novel meets Isoult la Desire a poor servant girl on his way and marries her out of pity It soon turns out that Isoult is the missing daughter of the countess and Prosper s feelings of pity turn into ideal and noble love **The Forest Lovers** Maurice Hewlett,2021-07-06 *Politics for the People; Or, a Salmagundy for Swine* Pre-1801 Imprint (library of Congress),2019-08-03 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **The Forest Lovers (Musaicum Romance Series)** Maurice Hewlett,2022-01-04 The Forest Lovers is a historical romance novel written by Maurice Hewlett It is set in medieval France and tells the story of Prosper le Gai and his experiences in the mysterious forest of Morgraunt The hero of the novel meets Isoult la Desire a poor servant girl on his way and marries her out of pity It soon turns out that Isoult is the missing
