# The Forgotten Fronts And Home Base 191418 History Of The Royal Regiment Of Artillery

**Sir Martin Farndale**

## **The Forgotten Fronts And Home Base 1914-18 History Of The Royal Regiment Of Artillery:**

**The Forgotten Fronts and the Home Base, 1915-18** Martin Farndale, 1988      British Artillery on the Western Front in the First World War Sanders Marble, 2016-12-05 In the popular imagination the battle fields of the Western Front were dominated by the machine gun Yet soldiers at the time were clear that artillery not machine guns dictated the nature tactics and strategy of the conflict Only in the last months of the war when the Allies had amassed sufficient numbers of artillery and learned how to use it in an integrated and coherent manner was the stalemate broken and war ended In this lucid and prize winning study the steady development of artillery and the growing realisation of its primacy within the British Expeditionary Force is charted and analysed Through an examination of British and Dominion forces operating on the Western Front the book looks at how tactical and operational changes affected the overall strategy Chapters cover the role of artillery in supporting infantry attacks counter battery work artillery in defence training and command and staff arrangements In line with the learning curve thesis the work concludes that despite many setbacks and missed opportunities by 1918 the Royal Artillery had developed effective and coordinated tactics to overcome the defensive advantages of trench warfare that had mired the Western Front in bloody stalemate for the previous three years      **British Artillery 1914-19** Dale Clarke, 2012-09-20 In 1914 the artillery of Britain s Field Army encompassed those weapons judged to have sufficient mobility to keep up with troops in the field This book describes all major variants from the 60 pdr guns of the heavy field batteries perched somewhat uncomfortably on the cusp between field artillery and siege artillery to the 2 75in guns of the mountain batteries almost toy like in comparison Between these two extremes lay the bulk of the artillery of the Field Army the 13 pdr guns of the Royal Horse Artillery and the 18 pdr guns and 4 5in howitzers of the Royal Field Artillery batteries      History of the Royal Regiment of Artillery: Anti-aircraft artillery, 1914-55 Sir Martin Farndale, 1986      *King of Battle: Artillery in World War I*, 2016-01-12 In *King of Battle Artillery in World War I* a distinguished array of authors examines the centrepiece of battle in the Great War artillery Going beyond the usual tables of calibres and ranges the contributors consider the organization and technology of artillery as well as present aspects of training doctrine and other national idiosyncrasies Artillery dominated the battlefields of World War I and forever changed the military doctrine of war No nation that had participated in significant ground combat would blithely assume that morale could ever replace firepower The essays included in this volume explain how twelve countries including all the major combatants handled artillery and how it affected the Great War Contributors include Filippo Cappellano Boyd Dastrup Edward J Erickson Bruce Gudmundsson James Lyon Sanders Marble Janice E McKenney Dmitre Minchev Andrey Pavlov Kaushik Roy Cornel and Ioan Scafes John Schindler and David Zabecki      **The A to Z of World War I** Ian V. Hogg, 2009-09-28 One of the most devastating armed conflicts in history World War I completely transformed the social and political landscape of the world in four short years It also marked the appearance of the new modern lifestyle one that always contained the grim prospect of the possible recurrence of war

Ian V Hogg's *The A to Z of World War I* provides a dual approach to the study of this historically significant event. The dictionary has a broad reach containing brief biographies of commanders and diplomatic leaders as well as casualty statistics and descriptions of geographical locations. Each entry gives a basic overview of crucial information. It also includes maps and chronologies that provide a visual perspective on the breadth of World War I and how it truly encompassed and transformed the entire world. Hogg's approach balances contemporary needs for contextualization with precise historical details that gives readers information to supplement their knowledge of the war. Also included is a bibliography which allows the reader to access other sources of information for further details about World War I.

### **The Atlantic Transport Line, 1881-1931**

Jonathan Kinghorn, 2012-01-27 In 1881 the dynamic Baltimorean Bernard N Baker established the Atlantic Transport Line an American owned but British operated steamship company with service from London to New York that became famous for shipping expensive livestock and for carrying only first class passengers. Although moderately sized the company remained a significant presence in international shipping until World War I caused major business disruptions followed by changed priorities during peacetime. Finally the Great Depression led to its closure. This volume chronicles the history of the line and its absorption into J P Morgan's gargantuan and ill conceived International Mercantile Marine Company against the background of efforts to revive the American mercantile marine. Descriptions of life on board Atlantic Transport Line vessels individual histories of every vessel owned by the line and biographies of key figures associated with the company make this the most complete account of this important player in the history of American trade.

### **The Great War in the Middle East**

Robert Johnson, James Kitchen, 2019-01-30 Traditionally in general studies of the First World War the Middle East is an arena of combat that has been portrayed in romanticised terms in stark contrast to the mud blood and presumed futility of the Western Front. Battles fought in Egypt Palestine Mesopotamia and Arabia offered a different narrative on the Great War one in which the agency of individual figures was less neutered by heavy artillery. As with the historiography of the Western Front which has been the focus of sustained inquiry since the mid 1960s such assumptions about the Middle East have come under revision in the last two decades a reflection of an emerging global turn in the history of the First World War. The sideshow theatres of the Great War Africa the Middle East Eastern Europe and the Pacific have come under much greater scrutiny from historians. The fifteen chapters in this volume cover a broad range of perspectives on the First World War in the Middle East from strategic planning issues wrestled with by statesmen through to the experience of religious communities trying to survive in war zones. The chapter authors look at their specific topics through a global lens relating their areas of research to wider arguments on the history of the First World War.

### **Artillery in the Great War**

Paul Strong, Sanders Marble, 2011-05-18 A year by year examination of key WWI battles and how the ongoing advances in artillery shaped strategy tactics and operations includes battlefield maps. World War I is often said to have been an artillery war yet the decisive role artillery played in shaping military decisions and therefore the war itself has rarely been examined. *Artillery in the Great War*

traces the development of this all important technology the differing approaches to its use the many innovations it underwent on both sides and how those approaches and innovations in turn effected key battles such as the Battle of the Somme This highly readable and informative history is perfect for any reader interested in understanding the legacy of World War I or the evolution of modern warfare **The Glorious Madness - Tales of the Irish and the Great War** Turtle

Bunbury, 2014-10-17 From tragic generals to nuns on the run the extraordinary stories of the Irish on the frontlines of the First World War that you've never heard before Based on first hand accounts of the First World War The Glorious Madness is a collection of character portraits and stirring anecdotes that brings to life the hopes fears and ambitions that defined the generation of Irish men and women lost to the catastrophe of the first great modern war From the generals and field commanders through to the troopers and nurses on the front lines from the trenches of the Somme to the beaches of Gallipoli the Irish served at every turn in the Great War Popular historian Turtle Bunbury is renowned for uncovering important forgotten stories from our past Here he reveals many never before heard tales of the Irish heroes and heroines whose lives coincided with one of the most brutal conflicts our world has ever known including nuns artists sportsmen poets aristocrats nationalists nurses clergymen and film directors From the dramatic story of the nuns of Ypres and their escape to Ireland to found Kylemore Abbey to the multiple escapist who became the one legged nemesis of Michael Collins and the five tragic rugby loving pals from the same Dublin team massacred at Gallipoli the stories that Turtle Bunbury unearths about Irish men and women offer a new and timely perspective on Irish participation in the Great War An important book by turns poignant enlightening whimsical and darkly comic this is history as it should be free wheeling and finely tuned to the rhythms of the human heart Reviews In The Glorious Madness Turtle continues the wonderful listening and yarn spinning he has honed in the Vanishing Ireland series applying it to veterans of the First World War The stories he recreates are poignant whimsical and bleakly funny bringing back into the light the lives of people who found themselves on the wrong side of history after the struggle for Irish independence This is my kind of micro history John Grenham The Irish Times A wonderful book packed with great individual stories and pictures which bring the Irish participation in the Great War vividly alive Sean Farrell Irish Independent Based on first hand accounts of the conflict this collection of character portraits and stirring anecdotes brings to life the hopes fears and ambitions that defined Ireland's lost generation Peter Costello The Irish Catholic Turtle Bunbury's book about the Great War is a great read a dramatic confection of remarkable stories about remarkable events and individuals slapped together with great dexterity and professionalism This is military history as entertainment on a scale we have not seen since well the First World War This is one book that can be judged by its cover Pdraig Yeates Dublin Review of Books The impressively versatile Turtle Bunbury is known for his sensitively written well observed Vanishing Ireland series of books and his appearance on RTE's Genealogy Roadshow He also toured this year as one of the lecturers in the Great War Roadshow headed by Myles Dungan Now also marking the centenary of the outbreak of the First World War Bunbury

marches into what once would have been a no man s land for historians There is much to enjoy here Bunbury has an eye for irony and pathos and a fluid attractive writing style It s packed with personalities and stories of courage under fire amid truly unimaginable slaughter of mind boggling military incompetence and of individuals emotionally afflicted by reports of courage in another cause at home Emmanuel Kehoe Sunday Business Post

**To Win the Battle** Robert Stevenson,2013 To Win the Battle tells the story of how the 1st Australian Division forged a reputation as one of the great fighting formations of the British Empire during World War One In 1915 it led the way ashore on Gallipoli and in 1916 it achieved the first Australian victory on the Western Front at Pozieres Later it was still serving with distinction in the final battles that defeated the German army in 1918 It was central to the birth of the Anzac legend This ground breaking study describes and explains how the 1st Australian Division rose from obscurity and over three and a half years of hard and bloody campaigning earned a combat record second to none Drawing extensively on primary sources as well as recent scholarship this important book provides a fresh approach and a balanced assessment of the factors that led to the division s success Call to Arms Charles Messenger,2015-04-30 This is a comprehensive account of how the British Army coped with and adapted to the enormous challenges and pressures of the First World War the first major continental war that the army had had to fight for almost a hundred years Following the course of the War both on the Western Front and in other theatres Charles Messenger tells how the British Army managed the challenges of command training technology and new weapons of war He examines officer selection medicine discipline the manpower crisis of 1918 the integration of women into the forces and many other topics Based on years of original research this will become the standard work of reference on the organization and administration of the biggest army Britain has ever put into the field *Dorset Brothers at War* Jessica Christian,2017-10-15 In 1914 three brothers started their First World War service with the Dorset Yeomanry Only one would survive This is the story of their wartime experiences told largely in their own words Do Unto Others Alan H. Smith,2011-06-30 Since 1899 the significant role Australian gunners have played in supporting the Australian Military Forces campaigns has been well documented They have gallantly and whole heartedly supported Australian British New Zealand and Indian armies in both World Wars the Korean and Borneo Confrontation Wars and most recently the Vietnam War Do Unto Others is a comprehensive account of the history of counter bombardment including the development of Australian techniques equipment and procedures through the campaigns up until Vietnam with references to the techniques and actions of the British and American artillery included where appropriate to place the Australian experience in perspective It is also the story of the brave men behind the artillery and their outstanding efforts and results across these varied campaigns The to Z of World War I Ian V. Hogg,2009-09-28 From the A7V tank to the Zimmerman telegram this dictionary focuses heavily on the military aspects of World War I Entries of a paragraph to a page cover major battles from Palestine to China biographical notes on selected soldiers geographical features which affected the fighting and various military equipment Chronologies of the major events and battles of the war

and a short summary are included to provide context Originally published in 1998 under the title Historical dictionary of World War I     Historical Dictionary of World War I Ian V. Hogg,1998 Contains brief biographies of commanders and diplomatic leaders as well as casualty statistics and descriptions of geographical locations Each entry gives a basic overview of crucial information It also includes maps and chronologies that provide a visual perspective on the breadth of World War I and how it truly encompassed and transformed the entire world     **History of the Royal Regiment of Artillery** Sir Martin Farndale,1986     *History of the Royal Regiment of Artillery: The years of defeat : Europe and North Africa, 1939-1941* Sir Martin Farndale,1986 This volume begins the story of the Royal Artillery in World War II and covers the period from September 1939 to the end of 1941 The regiment was by no means fully prepared for war but by supreme effort managed to recruit and train the hundreds of thousands of men and women required     *Command or Control?* Dr Martin Samuels,Martin Samuels,2013-11-05 This is a comparative study of the fighting systems of the British and German armies in The Great War Taking issue with revisionist historians Samuels argues that German success in battle can be explained by their superior tactical philosophy The book provides a fascinating insight into the development of infantry tactics at a seminal point in the history of warfare     **Artillery at Anzac** Chris Roberts,Paul Stevens,2021-04-07 A Simon Schuster eBook Simon Schuster has a great book for every reader
