Goodspeed, 1974 *The Formation of the New Testament* Edgar Johnson Goodspeed, 1974 **Books in Print**, 1991 *Books in Print Supplement*, 1994 National Union Catalog, 1983 **National Union Catalog, 1982**, 1983 Religious Books and Serials in Print 1978-1979 R.R. Bowker Company. Department of Bibliography, 1978-11 *An Introduction to the New Testament* M. Eugene Boring, 2012-01-01 A user friendly introduction to the New Testament for beginning students *Nelson's Perpetual Loose-leaf Encyclopaedia* John Huston Finley, 1909 **Nelson's Encyclopaedia**, 1907 *Subject Guide to Books in Print*, 1997 *God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume Two* Jeff B. Pool, 2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering vol 2 Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of the beloved human's infidelity divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice Nothingness, Metanarrative, and Possibility William E. Marsh, 2009-08-14 What is the solution to human angst and nothingness the gnawing emptiness and frustration with the limits and fragility of this present existence After reviewing the work of Sren Kierkegaard Friedrich Nietzsche Martin Heidegger and Jean Paul Sartre on this question this work argues that the proper response must be metaphysical metanarrative a

transcendent metaphysical metanarrative that is the ground of all that is yet a metaphysical metanarrative that makes the fullness of meaning available and apprehensible in physical experience This metanarrative this work asserts is the logos the ultimate referent principle of the ancient Greeks and according to Christianity the God man Jesus Christ the eternal become present in present experience Because the logos constitutes transcendence in human form it recognizes the beauty of existential experience even as it underscores the necessity of transcendence for temporal meaning The logos as metaphysical metanarrative brings the worlds of time and eternity together linking earth and the beyond in a seamless whole It is the ultimate existential experience

James and the "Q" Sayings of Jesus Patrick Hartin, 2015-01-29 The Epistle of James lies on a wisdom trajectory that extends from the Old Testament through to the New It is among the earliest of the New Testament writings providing valuable insight into the process of transmission of the sayings of Jesus By examining textual similarities between James and the early Jesus traditions such as Q QMt and QLk Hartin argues that the Epistle of James is an independent witness to the existence of the Q source as well as to the way in which this source developed within the Matthaean community which produced QMt

Salighed As Happiness? Abrahim H. Khan, 2006-01-01 This work is an exposition of *Salighed* a concept at the heart of Kierkegaard's thought and the dialectical starting point for his reflections on what it means to live a genuinely human life Kierkegaard studies to date appear to have underestimated the importance of the word and the concepts that lie behind it perhaps because the word appears easily translated into the English forms of eternal happiness or blessedness This suggests Khan does little justice to the concepts behind the word and does even less

justice to the relationships of the concept of Salighed to other concepts crucial to Kierkegaard's thought. Khan's approach to this word concept study has been greatly augmented by his use of the computer in analyzing word relatedness context and frequency of occurrence both within individual works and in comparing one work with a context of the Kierkegaard corpus. The volume will of course be of interest to students of Kierkegaard. It will also be of interest to those scholars intrigued by the possibilities of using computers in linguistic research and in literary studies.

The Mysteries of Righteousness Walter T. Wilson, 2013-03-01 As the Christian church moved from its inception in an Eastern Oriental culture westward across Asia Minor Turkey into Greco Roman culture with primarily a Western philosophy theology and values Jesus message and Paul's teachings began to be interpreted according to those cultural norms. While Paul kept calling his churches back to their Jewish roots and Eastern values the Jewish voice was lost when the Jerusalem church dispersed as Israel fell during the Jewish Revolt of 66-73 AD. The temple was destroyed its clergy silenced and Judaism seemed irrelevant to the growing Christian church. The church had become primarily Gentile in theology and philosophy and its Hebrew foundation was largely forgotten and lost. In *Beyond Christian Folk Religion* Beckstrom brings the reader back to Jesus roots Romans 11:17-23 and to the core of Paul's message.

Hispanic/Latino Theology Ada María Isasi-Díaz, Fernando F. Segovia, 1996-01-01 U.S. Hispanic/Latino voices have emerged in the last ten years to become one of the strongest and most creative theological movements in the Americas. Fully ecumenical and organized in systematic collaborative framework this major volume features Hispanic theology's sources: the Bible, church history, cultural memory, literature, oral tradition, pentecostalism, loci urbanos, barrios, Puerto Rico, exile, liberation, social sciences, Latina feminists and rich and vigorous expressions: *mujerista* theology, popular religion, theopoetics. *Hispanic/Latino Theology* not only celebrates the full flowering of U.S. Latino work it also splendidly reveals the exciting possibilities and future shape of contextual theologies in close touch with the daily realities of struggling people.

Fear of the Evil Eye Safia J. Yun, 2025-01-17 In a world where the evil eye is often dismissed as mere superstition young Jordanian Muslim women reveal a different story. The evil eye is real and we were raised with it. Amid the competitive landscape of university life envy among friends and family can manifest in dangerous ways creating a palpable fear of harm through the gaze of the envious. These women turn to the texts of the Qur'an for protection yet also embrace traditional folk practices and incantations. Through captivating narratives and original field research this book delves into the intricate dynamics of envy and the pervasive belief in the evil eye. It offers a profound exploration of how these women confront their fears and challenges inviting readers into a conversation about divine generosity and protection. Join the author on a journey to discover a biblical truth that offers freedom: a God who blesses abundantly and shields against the harm of envy. Together model a spirit of generosity and prayer illuminating the path to freedom in Christ's name.
