Third Solitudes Michael Greenstein, 1989-04-01 Canadian Jewish literature Greenstein argues is characterized by the sense of homelessness and exile which dominated the writings of the father of Jewish Canadian literature A M Klein Greenstein finds the paradigm for this sense of loss in Henry Kreisel's short story The Almost Meeting Using the theme of this story as a base Greenstein describes how the Jewish Canadian writer is divided between life in Canada and a rich European past between life in the New World and the strong traditions of the Old The Jewish Canadian writer may look for a home in both these places but neither is fulfilling as both are necessary parts of the individual The writer thus straddles two incompatible worlds and must expect the loss of one or the other In the struggle to overcome these difficulties and maintain a true dialogue with others and themselves such writers experience missed or almost meetings as they cope with the homelessness that characterizes diaspora and Canada's third solitude Mexico, Canada Mary Murray Bosrock, 1995 International Who's Who of Authors and Writers 2004 Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

Discrepant Parallels Gillian Roberts, 2015-05-01 The 49th parallel has long held a symbolic importance to Canadian cultural nationalists as a strong though permeable border But in contemporary Canadian culture the border has multiple meanings and imbalances of cultural power occur both across the Canada US border as well as within Canada Discrepant Parallels examines divergent relationships to and investments in the Canada US border in a variety of media such as travel writing fiction poetry drama and television Tracing cultural production in Canada since the 1980s through the periods of FTA and NAFTA negotiations and into the current post 9 11 context Gillian Roberts grapples with the border's changing relevance to Canadian nationalist Indigenous African Canadian and Latin American perspectives Drawing on Kant and Derrida she theorizes the 49th parallel to account for the imbalance of cultural political and economic power between the two countries as well as the current challenges to dominant definitions of Canadianness Focusing on a border that is often overshadowed by the contentious US Mexico divide Discrepant Parallels analyzes the desire to establish Canadian American sameness and difference from a multitude of perspectives as well as its implications for how Canada is represented within and outside its national borders *Journal of Canadian Studies*, 1986

The Borderlands of the American and Canadian Wests

Sterling Evans, 2006-01-01 *The Borderlands of the American and Canadian Wests* is the first collection of interdisciplinary essays bringing together scholars from both sides of the forty ninth parallel to examine life in a transboundary region. The result is a text that reveals the diversity, difficulties and fortunes of this increasingly powerful but little understood part of the North American West. Contributions by historians, geographers, anthropologists and scholars of criminal justice and environmental studies provide a comprehensive picture of the history of the borderlands region of the western United States and Canada. *The Borderlands of the American and Canadian Wests* is divided into six parts: Defining the Region, Colonizing the Frontier, Farming and Other Labor Interactions, the Borderlands as a Refuge in the Nineteenth Century, the Borderlands as a Refuge in the Twentieth Century, and Natural Resources and Conservation along the Border. Topics include the borderlands environment, its aboriginal and gender history, frontier interactions and comparisons, agricultural and labor relations, tourism, the region as a refuge for Mormons, far right groups and Vietnam War resisters, and conservation and natural resources. These areas show how the history and geography of the borderlands region has been transboundary, multidimensional and unique within North America.

Margaret Atwood Colin Nicholson, 1994 This is the first collection of essays published in the United Kingdom to focus upon a writer who already enjoys an international reputation. It is a part of Atwood's unique achievement that she manages to sustain her popularity with reading publics around the world as she brings feminist perspectives to bear upon personal and private experience and upon the public structures of power which shape individual lives. From a variety of theoretical perspectives and including European and North American contributions, the essays gathered here explore how as a woman writer Atwood articulates the pressures and determinations which condition the feminine before allowing it to speak for itself and how as a Canadian she explores the complicated relationships between representation and self representation in a world of vastly uneven distributions of power and responsibility. A unique combination of feminist and postcolonial perspectives, it examines Atwood's poetry and short fiction as well as her novels.

Sociological Abstracts Leo P. Chall, 1994 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. Essays on Canadian Writing, 1989 **Metis and the Medicine Line** Michel Hogue, 2015-04-06 Born of encounters between Indigenous women and Euro American men in the first decades of the nineteenth century, the Plains Metis people occupied contentious geographic and cultural spaces. Living in a disputed area of the northern Plains inhabited by various Indigenous nations and claimed by both the United States and Great Britain, the Metis emerged as a people with distinctive styles of speech, dress and religious practice and occupational identities forged in the intense rivalries of the fur and provisions trade. Michel Hogue explores how, as fur trade societies waned and as state officials looked to establish clear lines separating the United States from Canada and Indians from non Indians, these

communities of mixed Indigenous and European ancestry were profoundly affected by the efforts of nation states to divide and absorb the North American West Grounded in extensive research in U S and Canadian archives Hogue s account recenters historical discussions that have typically been confined within national boundaries and illuminates how Plains Indigenous peoples like the Metis were at the center of both the unexpected accommodations and the hidden history of violence that made the world s longest undefended border **International Perspectives** ,1987 **Politics in Canada** Robert J. Jackson,Doreen Jackson,1994 Appropriate for introductory courses in Canadian politics at the university level The new edition of this award winning text offers students a comprehensive introduction to Canadian politics within a comparative global context It has been updated to include information up to and including the federal election of 1993 The authors structure the parts around four key political concepts culture institutions behaviour and public policy There is substantial material on patronage and conflict of interest and on the structure and role of the courts Important issues such as women in politics Canada s international peacekeeping role Canada U S relations free trade constitutional affairs and policy making in this age of budgetary restraint also receive significant treatment **Paperbound Books in Print** ,1991
