Jewish Studies on Premodern Periods Carl S. Ehrlich, Sara R. Horowitz, 2023-05-22 This volume examines new developments in the fields of premodern Jewish studies over the last thirty years. The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge The Talmud Yerushalmi and Graeco-Roman Culture Peter Schäfer, Catherine Hezser, 1998 This volume focuses on a wide range of topics such as gender studies aspects of everyday life Roman festivals magic etc hereby reflecting on the methodological problems inherent in intercultural studies **Questions of Formative Judaism** Jacob Neusner, 2021-10-01 The academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise Three Questions of Formative Judaism encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please click here for details **Transformation of Judaism** Jacob Neusner, 2004-06-14 An eminent scholar of the history of Judaism Jacob Neusner shows in this work how Judaism changed from a philosophy to a religion between 200 and 400 C E The Transformation of Judaism is a work both revolutionary in its method and unprecedented in its results Comparing earlier and later sets of Judaic writings Neusner sets forth how philosophy abstract elegant orderly and intellectual turned into religion tangible down to earth chaotic and concrete In the process he offers an account of the birth of Judaism that has become normative Moreover Neusner's methodology can be applied to the study of religions other than Judaism because it examines the underpinnings of how a society sees the world philosophy orders itself politics and sustains itself economics The Studia Philonica Annual XXXIV, 2022 David T. Runia, Gregory E. Sterling, 2022-12-15 The Studia Philonica Annual is a scholarly journal devoted to the study of Hellenistic Judaism particularly the writings and thought of the Hellenistic Jewish writer Philo of Alexandria circa 15

They need only to be read spoken and interpreted And to know them is to know reality itself Kushner has designed the book himself seamlessly blending graphics and content In doing so he evokes the aesthetics of an ancient manuscript and a vision of our power to shape the future Each finely crafted chapter begins with a Hebrew word and Kushner's provocative English translation At the bottom of the page is a transliteration of the Hebrew along with its more customary English rendering In addition to his own intriguing definition he includes a biblical citation anchoring the word along with a more recent text showing the word s evolution Finally we are offered a personal meditative exercise designed to enable you to live in the word Talking with Christians David Novak, 2005 This edition Uses the clear easy to read Popular format Contains a Concordance with approximately 1000 entry words and over 10 000 Bible references Is beautifully bound in popular soft tone leather Has a flexible cover with blind embossing Has gilded page edges Has a ribbon marker and head tail bands Has pagination to match TNIV Pew and Lectern Bibles so it can be easily used in church TNIV is a thoroughly accurate fully trustworthy Bible text built on the rich heritage of the NIV It presents the fruit of the ongoing study of the same team of translators that were responsible for the original NIV The uniqueness of TNIV rests in its ability to speak God s word clearly and accurately in English that has developed and changed over the last quarter century The result is a Bible text that reflects the NIV but also clarifies and updates passages and words to provide a more timely contemporary English rendition for a new generation of Bible readers The royalty from every Hodder Stoughton TNIV Bible that you buy helps to fund the International Bible Society's effort to translate and distribute Bibles to people in need around the world Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly Repentance Dr. Louis E.
