Allen, Rosemary Moore, 2018-11-28 This landmark volume is the first in a century to examine the Second Period of Quakerism a time when the Religious Society of Friends experienced upheavals in theology authority and institutional structures and political trajectories as a result of the persecution Quakers faced in the first decades of the movement's existence The authors and special contributors explore the early growth of Quakerism assess important developments in Quaker faith and practice and show how Friends coped with the challenges posed by external and internal threats in the final years of the Stuart age not only in Europe and North America but also in locations such as the Caribbean This groundbreaking collection sheds new light on a range of subjects including the often tense relations between Quakers and the authorities the role of female Friends during the Second Period the effect of major industrial development on Quakerism and comparisons between founder George Fox and the younger generation of Quakers such as Robert Barclay George Keith and William Penn Accessible well researched and seamlessly comprehensive *The Quakers 1656 1723* promises to reinvigorate a conversation largely ignored by scholarship over the last century and to become the definitive work on this important era in Quaker history In addition to the authors the contributors are Erin Bell Raymond Brown J William Frost Emma Lapsansky Werner Robynne Rogers Healey Alan P F Sell and George Southcombe *The Fountain of Life* Arthur Glyn Prys-Jones, 1950 **The Liberal Jewish Monthly**, 1950 [The Library of Congress Author Catalog](#) Library of Congress, 1953 **The Young Woman's Journal**, 1917 **St. John of the Cross** Colin P. happened but it is also a living parable with great spiritual and prophetic significance This is the love story of Ruth symbolic of the bride of Christ and Boaz the kinsman redeemer who is symbolic of Jesus Christ Ruth was the third gentile woman after Tamar and Rahab to be incorporated into the bloodline of Jesus Christ and became the great grandmother of king David Boaz is the eleventh generation of the line of Abraham What a wonderful delightful time in the history of the town of Bethlehem and of the people of God All these events would lead to the advent of Jesus Christ prophesied as the seed of Abraham and the son of David The genealogies in Scripture all culminate at the generation of Christ in which we like Ruth may be included by faith and grace as part of the redeemed body of Christ
